

PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
CLASSIFIED JOB DESCRIPTION

SPRINKLER REPAIR WORKER

DEFINITION

To perform a full range of journey level duties in installation, maintenance, and repair of landscape irrigation systems.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from supervisory and management staff.

EXAMPLE OF DUTIES - Duties may include, but are not limited to, the following:

Installs, repairs, and replaces landscape irrigation systems following blue-prints, sketches or verbal instructions. Designs irrigation systems as necessary. Installs, maintains, and repairs automatically operated sprinkler controls, back flow protections, anti-siphon devices, sprinkler heads, valves and lines. Inspects and adjusts sprinkler controllers for correct time and duration of operation. Installs, inspects, and makes major repairs to electronic and hydraulic valves and controls. Installs and repairs a wide variety of sprinkler heads by removing, disassembling and replacing worn or broken parts. Maintains sprinkler heads by cutting grass around heads and making adjustments to their height. Maintains an adequate supply of equipment and materials. Keeps records of time and materials from work order. Performs related duties as assigned.

QUALIFICATIONS

Knowledge and Abilities: Knowledge of various aspects of pipe fitting as it applies to sprinkler installation. Ability to operate tools and equipment used in installation, repair, and maintenance of electronic and hydraulic sprinkler systems. Ability to maintain accurate records. Ability to work effectively in the absence of supervision. Ability to understand and follow oral and written directions. Ability to establish and maintain cooperative working relationships with those contacted in the course of work.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

One year of increasingly responsible experience performing landscape irrigation installation and maintenance duties.
