

School Accountability Report Card Reported for School Year 2008-09 Published During 2009-10

Valadez Middle School Academy School

Address: 161 East La Jolla St. , Placentia CA 92870-7112
Principal: Minerva Gandara-Boggs

Phone: 714-986-7440
Grade Span: 6 - 8

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2008-09 school year, except the School Finances and School Completion data that are reported for the 2007-08 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

This section provides the schools contact information.

School		District	
School Name	Valadez Middle School Academy	District Name	Placentia-Yorba Linda Unified
Street	161 East La Jolla St.	Phone Number	714-996-2550
City, State, Zip	Placentia , CA 92870-7112	Web Site	www.pylusd.org
Phone Number	714-986-7440	Superintendent	Dennis Smith

E-mail Address	mgandara@pylusd.org	CDS Code	30- 66647- 0116525

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE [DataQuest](#) Web page that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

School Description and Mission Statement (School Year 2008-09)

Gualberto J. Valadez Middle School Academy is home to the Valadez Eagles where students “Soar for Success.” The school opened its doors on September 2, 2008 with 459 sixth- and seventh-grade students. Eighth graders will join the Valadez community in the 2009-2010 school year. The school welcomes students, staff and visitors with an impressive central courtyard that is surrounded by five two-story academic buildings wired for the latest interactive technology. School features include 22 classrooms, 4 science labs, 2 computer labs, student locker rooms, visual and performing arts classrooms, a media/library center, a multipurpose room and an administrative center. The founding students are experiencing the excitement of being the first students to utilize all of Valadez’s amazing resources and facilities. Most of all, the students enjoy creating new friendships as they make Valadez history.

Valadez Middle School Academy is named for the beloved educator Gualberto J. Valadez who taught in our district from 1939 until 1983. Mr. Valadez inspired countless students with his endless dedication and passion. He taught students how to overcome any obstacle and strive for excellence. Valadez’s mascot is the eagle, because like the eagle, Mr. Valadez’s winning spirit and keen vision led students to “soar for success.”

Valadez’s vision is to create a nationally recognized academic community focused on rigorous instruction that instills in all students the skills to succeed as life-long learners and responsible citizens who are committed to improving themselves, their community, the country, and the world.

Our Shared School Core Values are:

- RESPECT - showing consideration and appreciation for ourselves, others, and the environment
- RESPONSIBILITY- being accountable for our actions
- RESILIENCY – persistent effort with integrity

School Mission

Success is our only option and P.R.I.D.E. (Personal Responsibility In Daily Effort) is the path we take.

Here at Valadez, we believe that academic achievement is possible when students feel positively supported by the school community and are able to make strong relationships that foster success.

Opportunities for Parental Involvement (School Year 2008-09)

Valadez Middle School Academy acknowledges the importance of establishing a strong relationship between parents, school staff and the neighboring community. Parent involvement is essential in building strong educational bonds. Our school established our Parent Teacher Association (PTA), our School Site Council (SSC) and our English Language Advisory Committee (ELAC) last year. Within these advisory committees the parent involvement policy and school-parent compact are reviewed and updated annually. We offer classes for our parents, including one where a pediatrician helps parents talk to their children about sex education.

Communication with parents is also very vital for student achievement, so we make it a priority to keep parents informed. Administration communicates public service announcements, attendance, and other informational items through the Electronic Phone Communication System. Communication is provided in both English and Spanish. Staff uses the on-line Aeries system to keep parents informed of student progress. Parents can also access the Valadez website for important information. Parent nights are offered to guide parents with how the Aeries program works; additionally, two computers are set aside for our parents to access Aeries in the school office. The student school planners/agendas act as another method of academic communication between the teachers, students and parents.

Teachers coordinate efforts to encourage parents to attend Back-to-School Night, Open House, and Parent-Teacher conferences. Informational meetings for parents whose children are enrolled in special programs such as AVID, ELD and Title One are provided annually. The purpose of these meetings is to discuss the goals and objectives of the school programs. These meetings also work as a venue to gain public opinion. Parents completed a questionnaire in which the parents recommended different parent night topics and events. After reviewing their requests, we offered the very well attended College Night and an Informational Night focusing on the Adolescent Child. We continue to add on more parent nights to our calendar such as the Project Inspire Parent series. We provide our incoming sixth grade parents with an Orientation Night in the spring. Through PTA, parents support the school library by working at

the Scholastic book fair and by helping with the RIF book distribution. Parents also volunteer to assist teachers with classroom support and other parents volunteer in the office and library.

Student Enrollment by Grade Level (School Year 2008-09)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Kindergarten	0
Grade 1	0
Grade 2	0
Grade 3	0
Grade 4	0
Grade 5	0
Grade 6	252
Grade 7	207
Grade 8	0
Ungraded Elementary	0
Grade 9	0
Grade 10	0
Grade 11	0
Grade 12	0
Ungraded Secondary	0
Total Enrollment	459

Student Enrollment by Group (School Year 2008-09)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment
African American	1.74 %
American Indian or Alaska Native	%
Asian	3.05 %
Filipino	1.09 %
Hispanic or Latino	87.58 %
Pacific Islander	0.22 %
White (not Hispanic)	5.23 %
Multiple or No Response	1.09 %
Socioeconomically Disadvantaged	87.00 %
English Learners	36.00 %
Students with Disabilities	11.00 %

Average Class Size and Class Size Distribution (Secondary)

This table displays by subject area the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Subject	2006-07			2007-08			2008-09					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English								21.8	15	20	3	
Mathematics								28.3	2	11	3	
Science								27.8	4	9	2	
Social Science								28.7	2	10	2	

III. School Climate

School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

The principal concern of the Valadez educational community is to ensure that all students and staff members are provided with a safe, clean, and secure school environment and to provide an organizational structure that creates a consistent, safe, proactive, and positive climate on our school campus. The school safety plan is updated and reviewed with staff annually.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
Suspensions			35.3	6.6	7.0	6.5
Expulsions			0.0	0.1	0.1	0.1

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The school facility is brand new, built in 2008, and in excellent condition as are the grounds and landscaping. The school campus is clean and well maintained.

School Facilities

School Facility Conditions and Planned Improvements (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The school meets most or all standards of good repair. Deficiencies noted, if any are not significant and impact a very small area of the school. Valadez Middle School Academy is a new school that opened in September 2008.

School Facility Good Repair Status (School Year 2009-10)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

DATE OF INSPECTION: 11/30/09

Item Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X				
Interior: Interior Surfaces	X				
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X				
Electrical: Electrical	X				
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X				
Safety: Fire Safety, Hazardous Materials	X				
Structural: Structural Damage, Roofs	X				
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X				
Overall Rating	Exemplary				

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE [DataQuest](#) Web page.

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09
With Full Credential			22	1108
Without Full Credential			0	20
Teaching Outside Subject Area of Competence			0	N/A

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2007-08	2008-09	2009-10
Misassignments of Teachers of English Learners		0	

Total Teacher Misassignments		0	
Vacant Teacher Positions		0	

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2008-09)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE [Improving Teacher and Principal Quality](#) Web page.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	100.0	0.0
All Schools in District	98.5	1.5
High-Poverty Schools in District	98.4	1.6
Low-Poverty Schools in District	98.2	1.8

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2008-09)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.0	459
Library Media Teacher (Librarian)		N/A
Psychologist		N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist	1.0	N/A
Resource Specialist (non-teaching)		N/A
Other	0.5	

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2009-10)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks	Percent of Pupils Who Lack Their
----------------------	--	----------------------------------

	and Instructional Materials	Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	100% of students have standards-aligned, State adopted textbooks and instructional materials in Reading and Language Arts.	0%
Mathematics	100% of students have standards-aligned, State adopted textbooks and instructional materials in Mathematics.	0%
Science	100% of students have standards-aligned, State adopted textbooks and instructional materials in Science.	0%
History-Social Science	100% of students have standards-aligned, State adopted textbooks and instructional materials in History/Social Science.	0%
Foreign Language	100% of students have standards-aligned instructional materials in Foreign Language.	0%
Health	100% of students have standards-aligned, instructional materials in Health.	0%
Visual and Performing Arts	100% of students have access to standards-aligned instructional materials in Visual and Performing Arts.	0%
Science Laboratory Equipment (grades 9-12)	100% of students have access to hands-on, standards-aligned equipment for science.	0%

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2007-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE [Current Expense of Education & Per-pupil Spending](#) Web page and teacher salaries can be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	LEA Provided	LEA Provided	LEA Provided	LEA Provided
District	N/A	N/A	LEA Provided	\$75,642
Percent Difference – School Site and District	N/A	N/A	LEA Provided	LEA Provided
State	N/A	N/A	\$5,512	\$67,049
Percent Difference – School Site and State	N/A	N/A	LEA Provided	LEA Provided

Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Title I was passed into law in 1965 as part of President Lyndon Johnson's *War on Poverty*. The purpose is to ensure that all students have the background they need in order to learn. This includes a focus on core curriculum, remediation, and enrichment. The funds must supplement the funding that the school receives from the state, and provide services and materials that are in addition to what non-Title I schools receive.

The Title I funding comes to the school based on free/reduced lunch participation rates. Schools that have a participation rate greater than the district average are eligible. Once the funding gets to the schools, services are provided to students who need the services.

Title I usually brings other funding sources along with it. Title III funding is federal funding so that students whose primary language is not English can learn English as rapidly as possible.

Many services are offered to students needing educational support at Valadez Middle School Academy. Such programs include: Comprehensive Accelerated Reading Education (CARE), Voyager Intervention Period (VIP), English Language Development (ELD), Student Mentoring, Advancement Via Independent Determination (AVID), double period for Math intervention, smaller class sizes in Language Arts classes, before and after school student tutoring in Mathematics and Language Arts, SOAR period and other enrichment programs.

Our VIP classes are designed to provide students with an extra period of Reading Comprehension intervention. Students in sixth, seventh and eighth grade will benefit from this course.

Our CARE program is offered to seventh and eighth grade students. Students are blocked for a two period class and use the *Language!* curriculum as the primary vehicle of instruction. Students are placed in CARE classes based on academic need, individual assessments, CST scores and teacher recommendation.

Our ELD students also receive instruction in block-scheduled classes for reading and receive additional instructional assistance in writing, grammar and conversation through courses that have been aligned with the district's ELD scope and sequence. ELD teachers continue to receive professional development in educational strategies that benefit our English Learners.

For students who need extra support in Mathematics, a double period of math instruction is offered. Students are placed into this class based on CST scores and department evaluations.

Students receive personalized mentoring by our school staff. Students are monitored and meet with their academic mentors throughout the school year. Much of this mentorship occurs during the 'SOAR' zero period. Every staff member has a "homeroom" class to mentor.

Our AVID seventh grade and eighth grade elective course supports students in strengthening their academic skills and leadership abilities to successfully prepare them for the college preparatory classes required by the A-G requirement for University eligibility immediately following graduation from high school. College tutors are present in the AVID classes providing academic tutorial sessions for all academic areas taught, mentorship, and career guidance for the AVID students.

Students have the opportunity of attending before school and after school tutoring in mathematics and reading comprehension. Teachers target an increase in mathematical reasoning through the use of the Mind Institute and an increase in reading comprehension and fluency rates through the use of Reading Plus. Additionally, all students have the opportunity to participate in activities designed to enhance academic and personal achievement. Students choose to participate in a variety of after school clubs. Such clubs include the Science club, Critical Thinking Club, Newspaper club, Ballet Folklórico, Disney Goals, Art Club, Hip Hop Dance and Intramural sport activities.

Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE [Certificated Salaries & Benefits](#) Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$40,656	\$42,065
Mid-Range Teacher Salary	\$75,374	\$67,109
Highest Teacher Salary	\$94,560	\$86,293
Average Principal Salary (Elementary)	\$113,855	\$107,115
Average Principal Salary (Middle)	\$121,274	\$112,279
Average Principal Salary (High)	\$135,080	\$122,532
Superintendent Salary	\$241,068	\$216,356
Percent of Budget for Teacher Salaries	42.50 %	39.40 %
Percent of Budget for Administrative Salaries	4.80 %	5.50 %

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and for science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE [Standardized Testing and Reporting \(STAR\) Results](#) Web site. Program information regarding the STAR Program can be found in the [Explaining 2008 STAR Program Summary Results to the Public guide](#). Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
English-Language Arts			34			65			50
Mathematics			27			65			46
Science			0			65			50
History-Social Science			0			58			41

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results by Student Group (School Year 2008-09)

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
African American	*	*		
American Indian or Alaska Native				
Asian	64	64		
Filipino	*	*		
Hispanic or Latino	30	24		
Pacific Islander	*	*		
White (not Hispanic)	62	42		
Male	27	28		
Female	42	27		
Economically Disadvantaged	34	26		
English Learners	5	10		
Students with Disabilities	9	9		
Students Receiving Migrant Education Services	*	*		

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2008-09)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE [Physical Fitness Testing \(PFT\)](#) Web page. Note: Scores are not shown when the number of students tested is ten or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Healthy Fitness Zones		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	0.0	0.0	0.0
7	26.8	20.2	10.6
9	0.0	0.0	0.0

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE [Academic Performance Index \(API\)](#) Web page.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from one to ten. A statewide rank of one means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of ten means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of one means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of ten means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide			
Similar Schools			

"N/A" means a number is not applicable or not available due to missing data.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by Education Code Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

" * " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR Program test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	N/A	N/A	B	B
African American	N/A	N/A		
American Indian or Alaska Native	N/A	N/A		
Asian	N/A	N/A		
Filipino	N/A	N/A		
Hispanic or Latino	N/A	N/A		708
Pacific Islander	N/A	N/A		
White (not Hispanic)	N/A	N/A		
Socioeconomically Disadvantaged	N/A	N/A		707

English Learners	N/A	N/A		681
Students with Disabilities	N/A	N/A		

"N/A"

means a number is not applicable or not available due to missing data.

"**"

means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2008 or 2009. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

Participation rate on the state's standards-based assessments in ELA and mathematics
 Percent proficient on the state's standards-based assessments in ELA and mathematics
 API as an additional indicator
 Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	Yes

"Yes"

Met 2009 AYP Criteria

"No"

Did not Meet 2009 AYP Criteria

Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2009-2010
Year in Program Improvement		Year 1

Number of Schools Currently in Program Improvement	N/A	3
Percent of Schools Currently in Program Improvement	N/A	9.1

XI. School Completion and Postsecondary Preparation

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the [General Admissions Information](#) Web page (Outside Source).

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the [Undergraduate Admission & Requirements](#) Web page (Outside Source).

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE [DataQuest](#) Web page.

Indicator	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
Dropout Rate (1-year)				0.4	1.1	1.5	3.5	4.4	3.9
Graduation Rate			N/A	96.9	96.4	93.5	83.4	80.6	80.2

Completion of High School Graduation Requirements

Students in California public schools must pass both the ELA and mathematics portions of the CAHSEE to receive a high school diploma. For students who began the 2008-09 school year in grade twelve this table displays by student group the percent who met all state and local graduation requirements for grade twelve completion.

Group	Graduating Class of 2009		
	School	District	State
All Students	LEA Provided	LEA Provided	N/A
African American	LEA Provided	LEA Provided	N/A
American Indian or Alaska Native	LEA Provided	LEA Provided	N/A
Asian	LEA Provided	LEA Provided	N/A
Filipino	LEA Provided	LEA Provided	N/A
Hispanic or Latino	LEA Provided	LEA Provided	N/A
Pacific Islander	LEA Provided	LEA Provided	N/A

White (not Hispanic)	LEA Provided	LEA Provided	N/A
Socioeconomically Disadvantaged	LEA Provided	LEA Provided	N/A
English Learners	LEA Provided	LEA Provided	N/A
Students with Disabilities	LEA Provided	LEA Provided	N/A

Career Technical Education Programs (School Year 2008-09)

This section provides information about the degree to which pupils are prepared to enter the workforce, including a list of career technical education (CTE) programs offered at the school.

Narrative LEA Provided

Career Technical Education Participation (School Year 2008-09)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of the school's pupils participating in CTE	LEA Provided
Percent of the school's pupils completing a CTE program and earning a high school diploma	LEA Provided
Percent of school's CTE courses sequenced or articulated between the school and institutions of postsecondary education	LEA Provided

Courses for University of California and/or California State University Admission (School Year 2007-08)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion, of courses required for UC/CSU admission can be found on the CDE [DataQuest](#) Web page.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	5.8
Graduates Who Completed All Courses Required for UC/CSU Admission	

Advanced Placement Courses (School Year 2008-09)

This table displays for the most recent year the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE [DataQuest](#) Web page.

Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science		N/A
English		N/A
Fine and Performing Arts	1	N/A
Foreign Language		N/A
Mathematics		N/A
Science		N/A
Social Science		N/A

All courses	1	0.2
-------------	---	-----

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Preservice Days in 06/07 = 5 days at 7.0 hours per day
 Preservice Days in 07/08 = 5 days at 7.0 hours per day
 Preservice Days in 08/09 = 4 days at 7.0 hours per day

In the above years, schools were either on the weekly early release/late start (PLC's) or the (8) district staff development days.

Minimum days are separate.

XIII. National Assessment of Educational Progress

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities and English language learners is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the [National Assessment of Educational Progress](#) Web page (Outside Source).

Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school. Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. For example, the NAEP only assesses grades four, eight and twelve and for long-term trends assesses grades nine, thirteen, and seventeen. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. For example, the NAEP is not aligned with California academic content and achievement standards and, therefore, does not necessarily reflect the curriculum and instruction to which students are exposed in the classroom. The NAEP assesses reading and writing separately, while the CSTs assess English-language arts (ELA), encompassing reading as well as writing conventions, spelling, and grammar. Scores on the CSTs and other assessments are not directly comparable to those on NAEP. The averages and percentages presented are estimates based on samples of students rather than on entire populations. Finally, the questions students respond to are only a sample of the knowledge and skills covered by the NAEP frameworks. Information on the differences between NAEP and CST can be found on the [CDE National Assessment of Educational Progress \(NAEP\)](#) Web page.

National Assessment of Educational Progress Reading and Mathematics Results by Grade Level – Aggregated

This table displays the scale scores and achievement levels on the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight

Subject and	Average Scale Score	State Percent at Achievement Level
-------------	---------------------	------------------------------------

Grade Level	State	National	Basic	Proficient	Advanced
Reading 2007, Grade 4	209	220	30	18	5
Reading 2007, Grade 8	251	261	41	20	2
Mathematics 2009, Grade 4	232	239	41	25	5
Mathematics 2009, Grade 8	270	282	36	18	5

National Assessment of Educational Progress Reading and Mathematics Results for Students with Disabilities and/or English Language Learners by Grade Level – Aggregated

This table displays the state and national participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

Subject and Grade Level	State Participation Rate		National Participation Rate	
	Students With Disabilities	English Language Learners	Students With Disabilities	English Language Learners
Reading 2007, Grade 4	74	93	65	80
Reading 2007, Grade 8	78	92	66	77
Mathematics 2009, Grade 4	79	96	84	94
Mathematics 2009, Grade 8	85	96	78	92
