**NEXT SCHEDULED MEETING**

December 13, 2022 (Organizational Meeting)

**BOARD BYLAW**

Placentia-Yorba Linda Unified School District

Bylaws of the Board

9322.2 - BB

**PUBLIC COMMENT**

The Board of Education of the Placentia-Yorba Linda Unified School District desires and encourages public attendance at all board meetings and is always interested in the constructive participation of those in attendance.

In order to ensure an orderly proceeding so that the district's business may be accomplished in an efficient manner and to provide a fair opportunity for all individuals who wish to address the board regarding items on the agenda or matters within the jurisdiction of the board, the following procedures shall regulate public presentations to the board:

1. Members of the public may address the board regarding any particular agenda item at the time designated by the agenda for public comment.
2. All requests by members of the public for an opportunity to address the board during a public meeting must be in writing on the public comment card provided by the district for that purpose. The request must include the subject and agenda item number which the individual wishes to address as well as whether it is regarding an item on the agenda or a non-agenda item. All requests to address the board must be submitted prior to the presiding officer announcing that it is the designated time for public comment.
3. The public comment section of the agenda is not a time for dialogue between community members and members of the district board/staff. Comments by community members which require a response will be addressed by staff at a later time at the discretion of the presiding officer. No action or discussion by members of the board or staff shall be taken on any item which is not on the posted agenda except as expressly authorized by law.
4. Each speaker shall be allocated a maximum of three (3) minutes to address the board regarding any item or items. The number of minutes allowed for each speaker shall be determined by the number of speakers who submit their names prior to the beginning of public comment.
  - 1-10 speakers: 3 minutes each
  - 11-15 speakers: 2 minutes each
  - 16-30 speakers: 1.5 minutes each
  - 31+ speakers: 1 minute each

In lieu of public comments, individuals may email the board prior to the meeting at [boardoftrustees@pylUSD.org](mailto:boardoftrustees@pylUSD.org).

5. Public comments may not be for the purpose of urging the support or defeat of any ballot measure or candidate including, but not limited to, any candidate for election to the governing board of the district. (Education Code 7054)

6. The board believes that all members of the public are entitled to the rights assured them under the California and United States Constitutions. The board further believes that district employees are entitled to rights of privacy under the California and United States Constitutions. The board has therefore adopted a complaint policy concerning school personnel and will only consider and act on such complaints if they are pursued in accordance with that policy. Speakers who wish to make complaints or charges concerning district personnel are expected to follow that policy. The board president shall inform any individual of the district's policy and expectations in that regard when he/she is making an oral presentation which includes charges or complaints against district personnel, including the superintendent, regardless of whether the employee is identified by name or by other reference which tends to identify. Should the individual choose to continue with charges or complaints against district personnel in public, it will be done at his/her own risk with respect to potential liability regarding the employee whose privacy may be invaded.
7. Public comment speakers are expected to abide by Board Policy 1312, *Civility Policy*, which promotes mutual respect, civility, and orderly conduct among district employees, parents, and the public. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free environment. Any individual who disrupts or threatens to disrupt school/office operations; threatens the health and safety of students or staff; willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; or who has otherwise established a continued pattern of unauthorized entry on school district property, will be directed to leave school or school district property promptly.
8. No willful disturbance or interruption of any board meeting shall be permitted. Only individuals recognized by the presiding officer will be permitted to address the board. Persistence by an individual/group shall be grounds for the chair to terminate his/her privilege of addressing the meeting and may result in the board requesting that the disruptive individual/group be removed or that the room be cleared.

These procedures shall be used to conduct all public comment and public hearing segments held during Board of Education meetings.

4140.1/4240.1 - BP

### EMPLOYEE ASSISTANCE PROGRAM

The Placentia-Yorba Linda Unified School District is vitally concerned with each employee's work performance, personal well-being and realization of full potential in personal and career development.

~~The Board of Education supports the concept that district employees will function on the job at their most effective level when their lives are not impaired by emotional stress or chemical dependency.~~

~~The Employee Assistance Program functions to provide assistance to employees who are experiencing a job performance problem. The primary objectives of the program are:~~

- ~~1. To retain valued employees~~
- ~~2. To restore productivity through early identification of emotional stress or chemical dependency problems~~
- ~~3. To motivate employees to seek assistance~~
- ~~4. To refer employees to the appropriate assistance resources~~

The Board of Education recognizes that school district employees may experience challenges which can have detrimental effects upon job performance and student safety. The Board encourages employees to seek help when such challenges exist and to take advantage of the resources that are available to assist them.

Employees shall have confidential access to information about the district's employee assistance program. This information shall be available to all employees and their spouses and dependents.

Management and supervisory staff shall be knowledgeable about the district's employee assistance program and may counsel employees about the program, as appropriate.

**SUBJECT:** **BOARD POLICY 6112, *OFFICIAL SCHOOL HOURS*, FIRST READING**

**DATE:** December 13, 2022

**BACKGROUND:** The Board periodically reviews and updates policies in order to accurately reflect the operational practices of the district. The revision of this policy (Exhibit A) will align currently authorized positions with positions held by Management employees.

**RATIONALE:** The revision of Board Policy 6112 (Exhibit A) is driven by Senate Bill 328, which caused an adjustment to the school start times in our district. We now have varied school start times by grade level and are updating the policy to provide flexibility for this shift in start times by grade level in lieu of setting one timeframe for all school offices.

**FUNDING:** There is no fiscal impact in the revision of this Board Policy.

**BOARD FOCUS AREA:** This board agenda item supports Focus Area 2.0, *Effective Instruction/Leadership* – “A dynamic, high-quality instructional program facilitates life-long habits of intellectual inquiry. We actively engage each student in the learning process through the implementation of the core curriculum and effective instructional strategies, including the use of technology. To this end, we strive to attract, train, and retain employees as well as develop strategic leaders who embrace the vision and values of our district.”

**RECOMMENDATION:** Revise Board Policy 6112, *Official School Hours*, first reading.

**SUBJECT:** **AUDIT REPORT FOR 2021-22**

**DATE:** December 13, 2022

**BACKGROUND:** In accordance with Education Code Section 41020 and 84040, an annual audit must be performed on the books and accounts of the district, including an audit of school district income and expenditures by source of funds. The annual audit report must be filed with the State Controller by December 15 each year.

The 2021-22 audit report for Placentia-Yorba Linda Unified School District was completed by Nigro & Nigro, PC, including comments and recommendations. In accordance with Education Code, the audit reports will be filed with the County Superintendent of Schools, the State Department of Education, and the Department of Finance.

**RATIONALE:** To complete the audit process, the audit report is presented for acceptance to the Board of Education and is available under separate cover.

**FUNDING:** Not applicable

**BOARD FOCUS AREA:** This board agenda item supports Focus Area 5.0, *Optimized Resources* – “A critical measure of a school district’s performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities.”

**RECOMMENDATION:** Accept the annual independent audit report for the 2021-22 fiscal year.

**SUBJECT:** **2022-23 FIRST INTERIM FINANCIAL REPORTING AND CERTIFICATION OF DISTRICT FINANCIAL SOLVENCY**

**DATE:** December 13, 2022

**BACKGROUND:** Education Code Section 35035 requires that district superintendents submit two interim reports each year to the district governing Board indicating whether or not the district will be able to meet its financial obligations. Under AB 1200, the Superintendent must submit the first interim report no later than forty-five days after October 31 (due December 15).

Based on a review of the District's financial data as contained in the First Interim Report, staff believes that the District can meet its financial obligations for the year ending June 30, 2023, and two subsequent years. In submitting the 2022-23 First Interim Report, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current and subsequent two fiscal years.

**RATIONALE:** Section 35035 of the Education Code requires that, on the basis of these reports, the District Board must certify in writing whether or not it believes the district can meet its financial obligations for the remainder of the fiscal year and submit the certification to the County Superintendent of Schools.

**FUNDING:** Not applicable

**BOARD FOCUS AREA:** This board agenda item supports Focus Area 5.0, *Optimized Resources* – "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities."

**RECOMMENDATION:** Approve the 2022-23 First Interim Report with a positive certification. A positive certification indicates that based upon current projections, the District will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

**SUBJECT:** **GOBO LCAP/SPSA INFOGRAPHIC AGREEMENT**

**DATE:** December 13, 2022

**BACKGROUND:** Gobo supports districts in making complex information accessible and engaging for stakeholders by telling an organization's data story through a variety of compelling and effective visual tools, including infographics, motion graphics, and custom web applications.

Data visualization, commonly referred to as information graphics or just "infographics," has many proven benefits. Infographics provide a more accessible, faster, scannable, and sharable way of communicating critical information. The technology-fueled explosion of messages and media in our modern society, combined with the changes underfoot in California education, calls for new communication methods that cut through the noise and engage community partners.

The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs.

**RATIONALE:** Districts are required to share School Plans for Student Achievement (SPSA) and Local Control Accountability Plan (LCAP) goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities with their community partners. The components of the LCAP for the 2022-23 LCAP year must be posted as one document. In addition, Education Code 64001 and the Every Student Succeeds Act (ESSA) require schools that receive federal funds through the ConApp to consolidate all school planning requirements into the SPSA. In order to realign the SPSA to ESSA and the LCAP, Gobo has developed a specialized distillation, iconification, and review process that turns a lengthy text document into a simple and compelling visual tool.

**FUNDING:** Educator Effectiveness Grant: \$39,887

**BOARD FOCUS AREA:** This board agenda item supports Focus Area 2.0, Effective Instruction/Leadership - "A dynamic, high-quality instructional program facilitates life-long habits of intellectual inquiry. To this end, we strive to attract, train, and retain employees and develop strategic leaders who embrace the vision and values of our district." In addition, this board agenda item supports Focus Area 3.0, Engaged Community - "Stakeholders play a vital role in the educational process. We value their opinions and feedback and seek to involve them in decisions which impact the education of our students. We establish a culture which encourages positive relationships among our students, staff, and parents as well as educational, business, and community partners."

**SUBJECT:** **APPROVAL OF SCHOOL PLANS FOR STUDENT ACHIEVEMENT FOR THE 2022-23 SCHOOL YEAR**

**DATE:** December 13, 2022

**BACKGROUND:** California Education Code Section 64001 requires that any school receiving categorical funds develop a *School Plan for Student Achievement* (SPSA). The plan must address all categorical funding sources that the school receives to ensure that students receive a coordinated program and that resources are maximized. In addition, the plan must be based on achievement data, demonstrate that staff has reviewed the progress of all groups of students in the school (e.g., special education students, English learners, GATE students, etc.) and identified any areas where academic achievement should be improved. Action plans that are based on measurable goals and include specific activities for improvement are the heart of the *School Plan for Student Achievement*. Staff development and resources needed to implement the plan are identified. In Placentia-Yorba Linda Unified School District, all elementary schools and middle schools are required to write an SPSA. El Camino Real Continuation High School writes its SPSA in compliance with the regulations for being designated as a school in Comprehensive Support and Improvement (CSI).

**DATE:** December 13, 2022

**BACKGROUND:** Tuffree Middle School requests permission to have a guest speaker address the student body, Grades 7 and 8, during our “Call to Kindness” assembly. Jesse LeBeau, from The Fisher Agency (TFA) Speakers, will be speaking about the importance of kindness that we can all show one another, explain the power one single act of kindness can make, and give each student the opportunity to answer “the call to kindness.” Students will be able to draw conclusions from his presentation about their own impact they can make by showing kindness to all.

**RATIONALE:** All seventh- and eighth-grade students will benefit from this whole-school assembly with the message about kindness. Every person, no matter who they are, can make a substantial impact on the world. Every act of kindness creates a ripple that many people often overlook. During Jesse’s presentation, he will not only highlight the immense power a single act of kindness can have but will also highlight how a single act can change the way you perceive the world and yourself. At the end, every student is given a compelling kindness call to action. This message, along with the PYLUSD’s emphasis on kindness during the month of January, will help reinforce the importance of this important quality in our world today.
