STUDENT BOARD REPORT

Student Board Member Jackson Hartman provided a report of the activities and events occurring at the district's high schools.

SUPERINTENDENT'S REPORT

Dr. Elsasser informed the Board that he continued his informative "Listen and Learn" tours by meeting with 15 internal and external stakeholders. In addition, he completed walkthroughs at Fairmont, Tynes, Brookhaven, and Sierra Vista elementary schools and El Camino Real, El Dorado, and Valencia high schools. He recognized staff who continue to work extremely hard to create engaging lessons for our roomers and Zoomers as well as custodial staff at each school for the exceptional work they have done to provide clean campuses and a safe learning environment for our students.

The Superintendent thanked Melina Michaels and the REACH Foundation for their continued support of our children. He reminded everyone that REACH is currently offering five different virtual coding classes for students in Grades 4-8, and this week is the final week that they are offering a 20% discount.

Dr. Elsasser shared that Dr. Adamson has led numerous stakeholder meetings as well as a survey in order to gather input on the development of the 2021-22 Local Control Accountability Plan. The feedback collected from these meetings and surveys is extremely valuable and helps our district make important decisions in order to improve our schools.

Superintendent Elsasser mentioned that last week was National School Counseling Week and how fortunate we are in this district to have such a dedicated group of counselors who play an extremely vital role in the lives of our students. He praised and thanked the counselors for all of their continued, outstanding work.

Finally, included under General Functions tonight for Board consideration is Resolution No. 20-23, designating the month of February as Career and Technical Education Month to celebrate and shed light on the unique college and career opportunities students are afforded through career and technical education. He publicly thanked our CTE partners, the North Orange County Regional Occupational Program, for providing accredited coursework, highly qualified teachers, and career readiness training for our high schools.

BOARD REPORT

Mr. Shawn Youngblood shared that he has been reading the passionate letters from parents wishing to return to full-time school and hears the frustration. He takes this serious and plans to do research and evaluate all information in order to make the best decisions impacting our families. He stated that the District has done amazing work placing protective equipment in all schools to keep our students and staff safe and thanked teachers for their work in the hybrid schedule. He hopes that we can get all students back to the classroom safely, but soon. Lastly, Mr. Youngblood mentioned that he plans to visit school sites this week and next.

Mrs. Marilyn Anderson stated that since the last board meeting she has visited Travis Ranch, Glenknoll, Esperanza, and Fairmont and is extremely impressed by the education and school spirit she sees. She appreciates the teachers and staff who come together to create a positive learning experience in such difficult times. Mrs. Anderson met with District and Lot 318 staff to discuss expanding after-school tutoring to other areas in our district. She attended the LCAP virtual townhall as well as an OCSBA two-day institute for new board members. Mrs. Anderson congratulated Trustee Buck for receiving the

BOARD REPORT (Continued)

Marian Burgeson award and Kraemer Middle School teacher Shane Twalmey as he was one of three teachers recognized for his work in the iReady program. She mentioned the LCAP stakeholders survey and encouraged everyone to complete it and also spoke of the Tiger Tutoring and encouraged those able to take advantage of this tutoring opportunity to do so. Mrs. Anderson appreciates the emails and letters from staff and community. Her number one goal is to keep students and staff safe and get back to school full time.

Mrs. Carrie Buck met with Trustee Shawn Youngblood for coffee to get to know him on a personal level. She acknowledged that she received letters from teachers and appreciated the honesty with which they expressed their concerns. Mrs. Buck promoted the stakeholder survey for the Local Control and Accountability Plan and encouraged everyone to complete it. The Placentia Community Collaborative, which she is part of, met to discuss the need for more tutoring for elementary kids. The OCSBA seminar that she attended provided insight at the state level that she finds valuable. Lastly, she thanked the OCSBA and everyone for honoring her with the Marian Burgeson award.

Mrs. Leandra Blades offered several issues for the Board to consider including mentor tutoring programs, livestreaming board meetings, and formal process for District committees. She spoke about Global Hope 365 as well as equity in the district and bullying. Mrs. Blades also inquired about the possibility of a special education inclusion director for equity and alternate pathways for special education students to achieve a diploma. In closing, Mrs. Blades stated that she is doing everything possible to open school and for parents to consider contacting the state to let the legislature know their concerns.

Mrs. Karin Freeman mentioned that she joined the OCSBA virtual seminar featuring Kevin Gordon which provided an informative talk on our state budget. Mrs. Freeman shared that our district was one of the few in Orange County that created an MOU with our associations that allowed us to reopen our schools in our current hybrid model. In closing, Mrs. Freeman thanked Risk Management Administrator Elaine Marshall and her team for rollout of the COVID testing program.

RESOLUTION NO. 20-23

Career and Technical Education Month

WHEREAS, February 1 through February 28, 2021, has been designated Career and Technical Education Month by the Association for Career and Technical Education; and

WHEREAS, profound economic and technological changes in our society are rapidly reflected in the structure and nature of work, thereby placing new and additional responsibilities on our educational system; and

WHEREAS, career and technical education prepares students to be college and career ready by providing core academic skills, employability skills, and technical, job-specific skills and giving all students leadership opportunities in their fields and in their communities; and

WHEREAS, the ever-increasing cooperative efforts of career and technical educators, business, and industry stimulate the growth and vitality of our local economy and that of the entire nation by preparing graduates for career fields forecast to experience the largest and fastest growth in the next decade;

NOW, THEREFORE, BE IT RESOLVED, that the Placentia-Yorba Linda Unified School District Board of Education does hereby support and designate February 1 through February 28, 2021, to be "Career and Technical Education Month."

PARENT/GUARDIAN AND FAMILY ENGAGEMENT

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment.

The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Accordingly, the board is committed to:

1. Involving parents as participants in the decision-making process through School Site Council, District English Language Advisory Council, and similar advisory programs.
2. Establishing effective two-way communication with all parents respecting the diversity and differing needs of families.
3. Developing strategies and programmatic structures at schools to enable parents to participate actively in their children's education programs.
4. Providing support and coordination for school staff and parents to implement and sustain appropriate parent involvement from preschool through grade twelve.
5. Utilizing schools to connect students and families with community resources which provide educational enrichment and support.
6. Coordinating and integrating parent involvement strategies with other programs.

Parents/guardians shall be notified of their rights to be informed about and participate in their children's education and of the opportunities available to them to do so.

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians and school staff on the adequacy of parent/guardian and family engagement opportunities and barriers that may inhibit parent/guardian participation.

Title I Schools

Each year the Superintendent or designee shall identify specific objectives of the district's parent involvement program for schools that receive Title I funding. He/she shall ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of the parent involvement program.

The Superintendent or designee shall ensure that the district's parent/guardian and family engagement strategies are jointly developed with and agreed upon by parents/guardians of students participating in Title I programs. Those strategies shall establish expectations for parent/guardian and family engagement and describe how the district will carry out each activity listed in 20 USC 6318 as described in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent shall conduct outreach to all parents/guardians and family members.

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities.

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following:

1. Support for schools and nonprofit organizations in providing professional development for district and school staff regarding parent/guardian and family engagement strategies, which may be provided jointly to teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, early childhood educators, and parents/guardians and family members.
2. Support for programs that reach parents/guardians and family members at home, in the community, and at school.
3. Dissemination of information on best practices focused on parent/guardian and family engagement, especially best practices for increasing the engagement of economically disadvantaged parents/guardians and family members.
4. Collaboration, or the provision of subgrants to schools to enable collaboration, with community-based or other organizations or employers with a record of success in improving and increasing parent/guardian and family engagement.
5. Any other activities and strategies that the district determines are appropriate and consistent with this policy.

If the district also receives funds under federal Title IV, Part E, to coordinate and enhance family engagement programs, the Superintendent or designee shall inform parents/guardians and organizations of the existence of Title IV.

The district's board policy and administrative regulation containing parent/guardian and family engagement strategies shall be incorporated into the district's LCAP in accordance with 20 USC 6312.

The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

District and school-level parent/guardian and family engagement policies and administrative regulations shall be distributed to parents/guardians of students participating in Title I programs and shall be available to the local community. Parents/guardians shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents/guardians can understand.

Non-Title I Schools

Each year the Superintendent or designee shall identify specific objectives of the district's parent involvement program for schools. He/she shall ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of the parent involvement program.

The Superintendent or designee shall ensure that the district's parent/guardian and family engagement strategies are jointly developed with and agreed upon by parents/guardians of students.

Instruction

6123 - BP

EDUCATION FOR ENGLISH LEARNERS

The Governing Board intends to provide English learners with challenging curriculum and instruction that develop proficiency in English as rapidly and effectively as possible while facilitating student achievement in the district's regular course of study.

The district shall identify in its local control and accountability plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for English learners.

English learners shall be provided daily English language development (ELD) instruction. They will receive both Integrated ELD (every day, throughout the day in all content areas) to support their academic and linguistic development as well as differentiated Designated ELD (a protected time during the school day) targeted to their English proficiency level and aligned with the state content standards and curriculum framework. The district's program shall use standards-aligned instructional materials, assist students in accessing the full educational program, and be adequately supported so that English learners are provided with the opportunity to achieve at the same academic level as their English proficient peers.

No middle or high school student who is an English learner shall be denied enrollment in any of the following:

1. Courses in the core curriculum areas of reading/language arts, mathematics, science, and history-social science, courses required to meet state and local high school graduation requirements, or courses required for middle school grade promotion.

However, an English learner may have their participation in any such course delayed if the student has been enrolled in a school in the United States for less than 12 months or is enrolled in a program designed to develop the basic English skills of newly arrived immigrant students, and the course of study provided to the student is designed to remedy academic deficits incurred during participation and to enable the student to attain parity of participation in the standard instructional program within a reasonable length of time after the student enters the school system.

2. A full course load of courses specified in Item #1 above.
3. Other courses that meet the "a-g" course requirements for college admission or are advanced courses such as honors or Advanced Placement courses, on the sole basis of the student's classification as an English learner.

The Superintendent or designee shall encourage parent/guardian, family, and community engagement in the development, implementation, and evaluation of programs for English learners.

Staff Qualifications and Training

The Superintendent or designee shall ensure that all staff employed to teach English learners possess the appropriate authorization from the Commission on Teacher Credentialing.

The Superintendent or designee shall provide to teachers, administrators, and other school staff research-based professional development that is designed to improve the instruction and assessment of English learners and enhance staff's ability to understand and use curricula, assessment, and instructional strategies for English learners. Such professional development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers' performance in the classroom.

Identification and Assessment

The Superintendent or designee shall maintain procedures for the early identification of English learners and an assessment of their proficiency using the state's English Language Proficiency Assessments for California (ELPAC). To oversee test administration, the Superintendent or designee shall annually designate a district ELPAC coordinator and a site coordinator for each test site.

Once identified as an English learner, a student shall be annually assessed for language proficiency until the student is reclassified based on criteria specified in the accompanying administrative regulation.

English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with testing variations in accordance with current guidelines. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law.

Language Acquisition Programs

The district shall offer research-based language acquisition programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards.

At a minimum, the district shall offer a structured English immersion program which includes designated and integrated English language development. In the structured English immersion program, nearly all of the classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English.

In addition, language acquisition programs offered by the district include a dual-language immersion program that provides integrated language learning and academic instruction for native speakers of English and native speakers of another language, with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding

The district's language acquisition programs for Grades K-3 shall comply with class size requirements, per the district's collective bargaining agreement.

In establishing the district's language acquisition programs, the Superintendent or designee shall consult with parents/guardians and the community during the LCAP development process. The Superintendent or designee shall also consult with administrators, teachers, and other personnel with appropriate authorizations and experience in establishing a language acquisition program.

At the beginning of each school year or upon a student's enrollment, parents/guardians shall be provided information on the types of language acquisition programs available to students enrolled in the district, including, but not limited to, a description of each program, the process to be followed in making

a program selection, identification of any language to be taught in addition to English when the program includes instruction in another language, and the process to request establishment of a language acquisition program.

Whenever a student is identified as an English learner based on the results of the ELPAC, the student's parents/guardians may choose a language acquisition program that best suits their child. To the extent possible, any language acquisition program requested by the parents/guardians of 30 or more students at the school or by the parents/guardians of 20 or more students at any grade level shall be offered by the school.

Reclassification

When an English learner is determined based on state and district reclassification criteria to have acquired a reasonable level of English proficiency pursuant to Education Code 313 and 52164.6, or upon request by the student's parent/guardian, the student shall be transferred from a language acquisition program into an English language mainstream classroom.

Program Evaluation

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

1. Progress of English learners towards proficiency in English.
2. The number and percentage of English learners reclassified as fluent English proficient.
3. The number and percentage of English learners who are or are at risk of being classified as long-term English learners.
4. The achievement of English learners on standards-based tests in core curricular areas.
5. Progress toward any other goals for English learners identified in the district's LCAP.
6. A comparison of current data with data from at least the previous year.

The Superintendent or designee shall also provide the Board with regular reports from any district or schoolwide English learner advisory committees.

TITLE I PROGRAMS

In order to improve the academic achievement of students from economically disadvantaged families, the District shall use federal Title I funds to provide supplemental services that reinforce the core curriculum and assist students in attaining proficiency on state academic standards and assessments.

The Superintendent or designee shall provide technical assistance and support to any school participating in the Title I program, including consultation in the development and implementation of school plans and activities.

The District and each school receiving Title I funds have developed a written parent involvement policy that is updated periodically with parent/guardian input.

Title I funds shall be used to supplement, not supplant, funds available from state and local sources for the education of students participating in Title I programs.

Local Educational Agency Plan

Descriptions of how the district will address the required components of the Title I local educational agency plan shall be included within the district's Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum, or another document. School-level strategies shall be aligned with the district's plan and be tailored to the specific needs of the students at the school.

Comparability of Services

State and local funds used in schools receiving Title I funds provide services that, taken as a whole, are at least comparable to services in schools that do not receive Title I funds. Comparability is determined on a school-by-school basis or by grade span.

To demonstrate comparability of services among district schools:

1. The Board has adopted and implements a districtwide salary schedule.
2. The ratio of students to teachers, administrators, and other staff at each Title I school does not exceed 110 percent of the average ratio across non-Title I schools.
3. Ensure equivalence in the provision of curriculum materials and instructional supplies by determining whether the per-student expenditure of state and local funds for curriculum materials and instructional supplies in Title I schools is between 90 and 110 percent of the districtwide average.
4. Determine whether the amount of state and local funds allocated per student for each grade span is between 90 and 110 percent of the per-student average for each grade span in non-Title I schools.

In determining comparability, the district does not include staff salary differentials for years of employment. The district also excludes unpredictable changes in student enrollment or personnel assignments that occur after the beginning of the school year, state and local funds expended for

language instruction educational programs, state and local funds expended for the excess costs of providing services to disabled students, and supplemental state or local funds expended in any school attendance area or school for programs that specifically meet the intent and purposes of Title I.

The Superintendent or designee shall annually assess comparability in accordance with the above criteria and maintains records documenting the district's compliance. If any instances of noncomparability are identified, the Superintendent or designee promptly implements adjustments as needed to ensure comparability.

Participation of Private School Students

The district shall provide or contract to provide special educational services, instructional services (including evaluations to determine the progress being made in meeting students' academic needs), counseling, mentoring, one-on-one tutoring, or other Title I benefits to eligible private school students residing in a participating school attendance area. Such services and benefits shall be provided on an equitable basis in comparison to services and other benefits for public school students.

Program Evaluation

The Board shall regularly monitor the progress of economically disadvantaged and low-achieving students in Title I schools. During the annual evaluation of the district's progress toward achieving each goal identified in the LCAP or other planning document addressing 20 USC 6312, the Board shall review disaggregated data on academic achievement, school attendance, and other outcomes for such students and shall ensure that strategies are revised as necessary to support continuous improvement.

SUBJECT: **DISPOSAL OF SURPLUS PROPERTY - OBSOLETE MATERIALS, SUPPLIES, AND EQUIPMENT**

DATE: March 9, 2021

BACKGROUND: The District has a current contract in place with the General Auction Company to conduct public auctions on behalf of the District for the disposal of surplus and obsolete property. As the property is identified, a listing is brought to the Board to request the property be declared surplus and authorize staff to dispose of it in the appropriate manner. The majority of these items are obsolete.

Education Code 17545(a) authorizes the governing Board to sell for cash any property belonging to the District if the property is not required for school purposes, is in unsatisfactory condition or not suitable for school use. Since the storage of these items takes up valuable space, the District would like to proceed to dispose of these items by means of a public auction conducted by contract with a private auction firm.

RATIONALE: By approving this request, the Board will be authorizing the District to properly dispose of the list of surplus property, allow a private auction firm to execute a public auction, and authorize disposal by other legal means if such property is not sold.

FUNDING: Additional local income anticipated

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – “A critical measure of a school district’s performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities.”

RECOMMENDATION: Declare the property surplus, approve disposal of the items by public auction, and approve disposal of any items not acceptable for auction by the most economical means.

SUBJECT: **FIELDMAN, ROLAPP & ASSOCIATES, FINANCIAL ADVISOR SERVICES**
DATE: March 9, 2021

BACKGROUND: The Fiscal Services Department is responsible for monitoring the District's financial condition. This includes the management of all District long-term debt and the ability of the District to meet all long-term debt obligations.

Fieldman, Rolapp & Associates (FRA) has been an independent financial advisor since 1966 and has both municipal and school district expertise. FRA has served as the District's independent financial advisor since 2012. This is the fourth and final renewal of the five-year agreement.

RATIONALE: District leadership consults with financial advisors on debt planning and structures. A financial advisor has a fiduciary responsibility and is legally required to provide expert advice that puts the District's needs above all other interests.

FUNDING: General Fund (0101) \$15,000

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities."

RECOMMENDATION: Approve renewal of the agreement with Fieldman, Rolapp & Associates for financial advisor services, effective July 1, 2021 through June 30, 2022.

SUBJECT: **EDUCATION MANAGEMENT SYSTEMS POINT-OF-SALE AND ISITE SOFTWARE**

DATE: March 9, 2021

BACKGROUND: Education Management Systems (EMS) has been supplying the District's windows-based cafeteria software point-of-sale (POS) system for several years. This POS system assists Nutrition Services staff in maintaining detailed records of free and reduced meal applications, cash handling for both program and non-program foods, meal production records, and nutritional assessments of menus. EMS also provides ISITE software, which is the provider of the District's nutrition services website. ISITE works directly with District technology staff and maintains the online meal ordering system, parent menu notifications, mandatory state and federal program notifications, and provides monthly updates to the website.

RATIONALE: EMS effectively streamlines both the record keeping and website management function. The service is cost effective and interfaces well with current District technology.

FUNDING: Cafeteria Fund (1313) \$21,318

BOARD FOCUS AREA: The board agenda item supports Focus Area 5.0, *Optimized Resources* - "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize education opportunities."

RECOMMENDATION: Approve agreement renewal for the integrated point-of-sale system and website management with Education Management Systems, effective July 1, 2021 through June 30, 2022.

SUBJECT: **ELECTRONIC FUNDS TRANSFER**
DATE: March 9, 2021

BACKGROUND: K12 Payment Center system is currently the District approved system for electronic fund transfers in Nutrition Services. This system is integrated with the District's point-of-sale system, Meals Plus. K12 Payment Center is a software solution that facilitates parent electronic fund transfers to their student's cafeteria account.

RATIONALE: An electronic fund transfer agreement with EMS provides parents with an effective way to manage their student's cafeteria account, and additionally allows other District departments to utilize the service under the same terms and conditions in the future.

FUNDING: No cost to the district

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities."

RECOMMENDATION: Approve the electronic funds transfer agreement to utilize K12 Payment Center software with Education Management Systems for the 2021-22 school year.

SUBJECT: **GENERAL AUCTION COMPANY, AUCTION SERVICES**

DATE: March 9, 2021

BACKGROUND: The District accumulates surplus property from various departments through the replacement of old and/or obsolete equipment. Education Code 17545(a) states: "The governing board of any school district may sell for cash any property belonging to the district if the property is not required for school purposes, or it is unsatisfactory or not suitable for school use." Since the storage of these items takes up valuable space, the District would like to proceed to dispose of these items by means of a public auction conducted by contract with a private auction firm. For those items that do not sell, Board authorization is required to declare the property of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means (Ed Code 17546(c)).

The District currently contracts with General Auction Company to publicly auction surplus items not used or needed by the District. General Auction Company will continue the agreement at the same rates for fiscal year 2021-22. General Auction Company's fee begins at 3% and has a maximum of 15% commission for the auction services provided.

RATIONALE: By approving this contract, the District can continue to dispose of old and/or obsolete equipment as specified in Ed Code 17545(a) in a timely manner by means of offsite or online auctions at General Auction Company as needed.

FUNDING: Additional local income anticipated

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities."

RECOMMENDATION: Approve the agreement to conduct public auctions with General Auction Company, effective July 1, 2021 through June 30, 2022.

SUBJECT: **E-WASTE DISPOSAL**

DATE: March 9, 2021

BACKGROUND: California Senate Bill 20 and 50 were passed in 2003 to establish a system of collection and recycling of electronic waste. Since certain components of electronic devices may be considered hazardous due to heavy metal or other constituents, the end-of-life handling of some electronic discards is regulated by either federal or state hazardous waste laws, or both. A requirement of the act is to have a licensed and certified e-waste recycling company remove and process all e-waste collected. The District currently contracts with Recycle International for e-waste removal from the District.

The existing e-waste currently held in the warehouse has been surplused as being obsolete, or in an unusable condition, and has been prepared for removal. E-waste is considered any item with electronic components that is no longer used, or broken, and cannot be disposed of in the trash. E-waste currently stored in the warehouse includes computers, laptops, printers, projectors, and other equipment. Recycle International will process the e-waste at their facility and pay the District for the e-waste collected.

RATIONALE: Renewal of the contract will allow the District to continue to utilize Recycle International to remove and process District e-waste.

FUNDING: Additional local income anticipated

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – “A critical measure of a school district’s performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities.”

RECOMMENDATION: Approve contract renewal for the removal and processing of e-waste with Recycle International, effective July 1, 2021 through June 30, 2022.

SUBJECT: RFP NO. 2021-01, E-RATE ELIGIBLE NETWORK EQUIPMENT
DATE: March 9, 2021

BACKGROUND: The Education Rate (E-Rate) Program provides partial reimbursement for schools to update and expand eligible network equipment and services. With the ongoing addition of Chromebooks and other instructional devices over the last several years, additional wireless access capacity is needed. On December 9, 2021, the District issued RFP No. 2021-01 for E-Rate Eligible Network Equipment, including switches and access points. The District received responses from Curvature, CDW-G, and Borderlan. Curvature was the lowest responsive bidder for switches and CDW-G was the lowest responsive bidder for access points.

RATIONALE: Award of RFP No. 2021-01 for E-Rate eligible network equipment will enable the District to provide the wireless capacity needed districtwide.

FUNDING:	E-Rate Program Contribution	\$390,000
	District Contribution	<u>\$260,000</u>

SUBJECT: **BID NO. 2019-3, SPAB TRANSPORTATION SERVICES**

DATE: March 9, 2021

BACKGROUND: Local co-curricular activity trips, both educational and athletic, are typically transported in District school buses by District drivers. In the event that the District cannot perform these services due to scheduling and/or availability, a qualified charter company is utilized to provide a bus for activity trips. The charter bus service also includes large motor coach buses known as “recliners” or school pupil activity buses (SPAB). These vehicles are often used for long-distance activity trips. District staff conducts regular inspections of chartered buses and drivers to ensure that all legal requirements are met.

In order to ensure the District is receiving the best value for these services, a public bid process has been utilized to determine a qualified and cost-efficient vendor. The bid will be used on an as-needed basis and is renewable on a yearly basis for up to five years.

RATIONALE: The District requires assistance in providing transportation for co-curricular activity trips due to scheduling limitations.

FUNDING: No impact to general fund. Costs are reimbursed from user accounts.

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – “A critical measure of a school district’s performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities.”

SUBJECT: **AVID IMPLEMENTATION AGREEMENT**

DATE: March 9, 2021

BACKGROUND: In order to continue to prepare our students to be “future ready,” Placentia-Yorba Linda Unified School District continues to implement the AVID system at nine elementary schools (Lakeview, Mabel Paine, Melrose, Morse, Rio Vista, Ruby Drive, Topaz, Tynes, and Woodsboro Elementary Schools), six middle schools (Bernardo Yorba, Kraemer, Travis Ranch, Tuffree, Valadez Academy, and Yorba Linda Middle Schools), and three high schools (El Dorado, Esperanza, and Valencia High Schools). We will continue to support and refine implementation at these sites. AVID is a college and career readiness system for elementary through postsecondary education designed to increase schoolwide learning and performance. The AVID College and Career Readiness System (ACRS) provides intentional support, prepares students for rigorous academic coursework, closes the opportunity gap, develops student agency, uses research-based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change.

RATIONALE: The AVID College and Career Readiness System is aligned to the California Content Standards, and the purpose of the AVID system is to further develop strategies to provide students with the necessary academic skills, guidance, and social-emotional faculties they need for future college and career success. This agreement will allow PYLUSD AVID schools to continue to implement AVID college and career systems. To participate in this collaboration with AVID, a contract must be approved.

SUBJECT: **AGREEMENT WITH DREAMS FOR SCHOOLS FOR ONLINE STEM CLASSES IN PARTNERSHIP WITH PARKVIEW SCHOOL**

DATE: March 9, 2021

BACKGROUND: On January 21, 2021, the Board approved a contract with Dreams for Schools in partnership with Parkview School. This program has been a great success; therefore, Parkview would like to continue this program through spring. Dreams for Schools, which oversees programs and initiatives that educate youth about science, technology, engineering, and math fields, has developed virtual STEM classes to engage student curiosity around coding, web development, engineering, and robotics. The mission of Dreams for Schools is to inspire, create, and educate students to be STEM literate with hard and soft skills needed to become the critical thinkers, creative leaders, and technologists of tomorrow.

RATIONALE: The extension of time to the current program allows students to augment school day learning with virtual, after-school classes for K-12 students with the following courses: Let's Explore STEM, Grades 1-2; Coding Games with Scratch, Grades 3-5; and Website Development, Grades 6-12. Dreams for Schools is eager to promote learning opportunities that will support the necessary skills students need in the 21st century. This is an after-school program in which the concept of building STEM skills in a short period of time is used as a tool to excite and inform elementary, middle, and high school students about STEM. They will receive mentorship from college undergraduates.

SUBJECT: **STUDENT TEACHING AGREEMENT – SAN DIEGO STATE UNIVERSITY,
JULY 1, 2021– JUNE 30, 2024**

DATE: March 9, 2021

BACKGROUND: The Placentia-Yorba Linda Unified School District and California State University, San Diego, would like to renew our partnership in placing student teachers in our classrooms. In order to renew our partnership, it is necessary to approve the student teaching agreement.

RATIONALE: Providing future teachers an opportunity to participate in the student teaching experience helps to assure that they are adequately trained and possess the necessary skills to be competent teachers. All student teachers are carefully screened by the University to assure that they are fully qualified prior to placement in the classroom.

Participation by our District with California State University, San Diego, in the placement of student teachers assists us in the recruitment of future teachers and qualified substitute teachers.

FUNDING: No cost to the district

BOARD FOCUS AREA: This board agenda item supports Focus Area 2.0, *Effective Instruction/Leadership* – “A dynamic, high quality instruction program facilitates life-long habits of intellectual inquiry. We actively engage each student in the learning process through the implementation of the core curriculum and effective instructional strategies, including the use of technology. To this end, we strive to attract, train, and retain employees as well as develop strategic leaders who embrace the vision of our district.”

RECOMMENDATION: Approve the student teaching agreement with California State University, San Diego, from July 1, 2021 to June 30, 2024.

SUBJECT: **EXPERIENTIAL EDUCATION PARTNERSHIP AGREEMENT – MARICOPA COUNTY COMMUNITY COLLEGE DISTRICT, MARCH 10, 2021 – MARCH 9, 2024**

DATE: March 9, 2021

BACKGROUND: The Placentia-Yorba Linda Unified School District and Maricopa County Community College District wish to enter into an agreement, which allows for the placement of speech-language pathologist in our classrooms across the district.

RATIONALE: Providing future speech-language pathologists the opportunity to participate in the teaching experience enhances the district pool of adequately trained applicants to fill potential vacancies. All students are carefully screened by the University to ensure they are fully qualified prior to placement in the classroom.

Participation in this partnership with Maricopa County Community College District will assist the district in future recruitment of much needed speech-language pathologists.

FUNDING: There is no cost to the general fund for participation in this partnership.

BOARD FOCUS AREA: This board agenda item supports Focus Area 2.0, *Effective Instruction and Leadership* – “A dynamic, high-quality instructional program facilitates life-long habits of intellectual inquiry. We actively engage each student in the learning process through the implementation of the core curriculum and effective instructional strategies, including the use of technology. SUBJECT: **STEPHANIE DANG, CLINICAL REHABILITATION WAIVER**

DATE: March 9, 2021

BACKGROUND: The state of California continues to experience a shortage of qualified speech pathologists. Although the District has been able to successfully recruit credentialed speech pathologists, there is still a need to hire some candidates who have not fully completed their course work.

RATIONALE: The state authorizes school districts to issue a waiver for candidates who are enrolled in a recognized Master's Degree program. This enables the District to provide speech and language services to students with identified needs.

FUNDING: There is no additional impact to the budget in the authorization of this waiver.

BOARD FOCUS AREA: This board agenda item supports Focus Area 2.0, *Effective Instruction/Leadership* – “A dynamic, high quality instruction program facilitates life-long habits of intellectual inquiry. TO: Dr. James Elsasser, Superintendent

FROM: Richard McAlindin, Executive Director, Instructional Support

SUBJECT: **REQUIREMENTS FOR A PLAN OF EDUCATION SERVICES FOR EXPELLED STUDENTS**

DATE: March 9, 2021

BACKGROUND: The Legislature has enacted legislation (AB922) which requires each school district, in conjunction with the County Superintendent of Schools, to develop a district plan that provides educational services for all expelled students. Changes in the Education Code also require districts to provide educational alternatives for each expelled student.

RATIONALE: The plan has been a collaborative effort among student services directors in Orange County. This plan, however, must be approved by respective school boards. The county plan is comprised of the 28 Orange County school districts' plans and must be approved by the County Board of Education. Education Code requires that the County plan be submitted to the State Superintendent of Public Instruction by June 30, 2021.

FUNDING: No cost to the district

BOARD FOCUS AREA: This board agenda item supports Focus Area 4.0, *Safe and Respectful Environment* – “A safe and respectful environment is essential to student success. We foster a culture that promotes the emotional health, safety, and well-being of students, staff, and parents.”

RECOMMENDATION: Approve plan to provide educational services to all expelled students in Placentia-Yorba Linda Unified School District as a component of the 2021-2024 Orange County Plan for Expulsion developed by the Orange County Superintendent of Schools.

PREPARED BY: Richard McAlindin, Executive Director

<p style="text-align: center;">PLAN FOR PROVIDING EDUCATIONAL SERVICES TO ALL EXPELLED STUDENTS IN ORANGE COUNTY 2021-2024</p>

General Provisions

As required by Education Code section 48926, the Orange County Superintendent of Schools has developed an expulsion plan in conjunction with the Superintendents of the school districts in Orange County. The plan provides for educational services to all expelled students in the county for school years 2021-22, 2022-23 and 2023-24. The current plan has been adopted by the governing board of each school district in Orange County and the Orange County Board of Education. A student whose behavior has resulted in an expulsion is provided a rehabilitation plan which ensures placement in an educational program. All educational alternatives provided by Orange County school districts are not available to all expelled students. The type of offense, location of offense, grade level and nature of the student's individualized needs all have the potential to affect the educational alternatives available to the student during the period of expulsion. Students expelled for any of the offenses listed in subdivision (a) or (c) of Section 48915 of the California Education Code shall not be permitted to enroll in any district-operated program during the period of expulsion unless it is a county community school pursuant to subdivision (c) of Education Code Section 1981, or a juvenile court school, as described in Section 48645.1, or a community day school pursuant to Article 3, (commencing with Section 48660 of Chapter 4 of Part 27 of the Education Code

All expelled students shall be referred to an educational placement that is 1) appropriately prepared to accommodate students who exhibit discipline problems; 2) not situated at a comprehensive middle, junior, or senior high school, or at any elementary school, and 3) not housed at the school site attended by the student at the time of the offense (E.C. section 48915). In addition to the requirements stated above, such factors as district size, district level alternatives, county level alternatives, local control accountability plans and district philosophy can influence the decisions by a district board of education regarding what educational alternatives are appropriate for the students who are expelled.

Educational Alternatives for Expelled Students

The governing board of each school district will determine which educational alternatives are appropriate and available pursuant to Education Code section 48916.1. Educational alternatives throughout Orange County for students recommended for expulsion include, but are not limited to the following options:

1. Expulsion, suspended order, with placement on the same school campus [E.C. section 48917 (a)].
2. Expulsion, suspended order, with placement on a different school campus within the district [E.C. section 48917 (a)].

3. Expulsion with referral to a district community day school program, if available [E.C. section 48660].
4. Expulsion with subsequent transfer to another district subject to acceptance by the district of proposed enrollment [E.C. section 48915.1].
5. Expulsion with referral to the Orange County Department of Education, Division of Alternative, Community and Correctional Education Schools and Services (ACCESS) [E.C. section 1981].

A specific referral to a district community day school or county community school is made by the school district with recommendations from the district discipline review board, School Attendance Review Board (SARB), or by another established district referral process as required by statute.

The school district of residence maintains the responsibility for developing a rehabilitation plan for expelled students and referring students to an appropriate educational setting. Expelled students who complete their rehabilitation plan obligations are reviewed by the district for possible return to district of residence programs. Expelled students who fail to meet the terms and conditions of the district rehabilitation plan for readmission may continue to be referred to an appropriate educational setting within another district alternative program, district community day school program, or the Orange County Department of Education ACCESS program.

Charter School Requirements and Expulsion

Charter schools develop their own policies and procedures regarding student expulsion and student dismissal subject to the requirements of Education Code Section 47605(c)(5)(J). They are not required to follow Education Code section 48900 et seq. as the basis of their discipline or expulsion policy, although by regulation petitioners must demonstrate familiarity with these provisions. Charter schools have the option to adopt their chartering district's policy and procedures in regard to expulsion.

A student who is expelled from a charter school may return to the school district of residence. As set forth in Education Code Section 47605(e)(3), if a pupil subject to compulsory full-time education pursuant to Education Code section 48200 is expelled or leaves a charter school without graduating or completing the school year for any reason, the charter school shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. Once the school district has documentation of the expulsion order, the provisions of Education Code sections 48915.1 and 48915.2 to determine whether or not the pupil may enroll in a district school or must be referred to a county community school or district community day school (EC section 48915.2).

Expelled Students Who Commit Subsequent Violation(s)

The placement of expelled students who commit subsequent expellable violations will be placed in one of the following options:

- If the student commits a subsequent violation of Education Code section 48900 and following, the student may be referred to another district alternative program or to the Orange County Department of Education.
- If the expelled student commits another violation of the Education Code while enrolled in the Orange County Department of Education ACCESS program, the student will be placed at another community school site within the Access Areas or transferred to another Access Area operated by the Orange County Department of Education, in accordance with Orange County Department of Education Policy and Procedures.

Expelled Students Who Fail District Community Day School

An expelled student who fails his/her placement in a district community day school program may be placed in one of the following options:

- Other existing district educational alternatives.
- Orange County Department of Education, ACCESS program or a program operated by the Orange County Department of Education Division of Special Education Services.
- Non-Public School (NPS) placements for students with disabilities may be considered by school districts if the IEP team determines a NPS is appropriate.

Special Education Students

Students eligible under the Individuals with Disabilities Act (IDEA) may be referred to the Orange County Department of Education pursuant to the Individualized Education Program (IEP) process outlined in Education Code section 48915.5 and Orange County Department of Education procedures. Students eligible under Section 504 of the Rehabilitation Act of 1973 may also be referred to the Orange County Department of Education program in accordance with Section 504 procedures. School districts must take into consideration the contents of the student's IEP when making placement recommendations. Any change in placement requires the school district to convene an IEP meeting. The IEP team identifies a special education program and related services appropriate for the student. Placement options may include district, special education local plan area (SELPA), or county-operated programs.

- If the district refers an expelled student to the Orange County Department of Education, the district shall convene an IEP meeting prior to the referral to jointly identify an appropriate special education program and related services. A representative from the Orange County Department of

Education shall participate in the IEP meeting. The district or Orange County Department of Education may provide special education services in accordance with the student's IEP.

- When the IEP cannot be implemented within the Orange County Department of Education, the district of residence is responsible for providing a Free and Appropriate Public Education (FAPE) within the continuum of program options identified in its SELPA local plan.
- The Orange County Department of Education may also provide an interim alternative educational setting while a school district locates an educational placement for students eligible under the IDEA (not excluding county options). [34 C.F.R. section 300.530(g)]

Orange County Department of Education Options

Orange County Department of Education Options

The Orange County Department of Education is committed to providing a spectrum of educational options for students expelled from Orange County school districts. Educational options are provided through the Division of Alternative Education, known as Alternative, Community, and Correctional Education Schools and Services (ACCESS), a Western Association of Schools and Colleges-accredited (WASC) program, and the Division of Special Education Services. The Orange County Department of Education's mission is to ensure that all students are equipped with the competencies they need to thrive in the 21st Century. In addition, ACCESS's mission is to care for, teach, and inspire all students to discover their potential, develop their character, and maximize their learning so they may become successful contributors to society.

The policy of each individual school district affects how the Orange County Department of Education will meet the needs of that particular school district. Some districts use the Orange County Department of Education programs as educational options for those students expelled under Education Code section 48900. The Orange County Department of Education also works with Orange County school districts to provide information and data in support of local control accountability plan goals and priorities, including but not limited to pupil engagement, school climate and pupil outcomes.

The Orange County Department of Education Division of Special Education Services provides special education programs and services to individuals with exceptional needs requiring intensive educational services. Referrals to the Division of Special Education Services shall be made in accordance with current procedures.

The ACCESS program provides options for expelled youth at over 45 sites contained within 7 Areas located throughout the county. Regional options may include:

- Classroom instruction serving grades 9-12, delivered daily for 240-270 minutes aligned with the State Frameworks/Standards.

- Classroom instruction serving grades 6-8, delivered daily for 240-270 minutes aligned with the State Frameworks/Standards.
- Contracted learning/independent study programs for students who elect, with parent/teacher approval, not to participate in daily classroom instructional programs. These contracted learning/independent study programs require students to complete a minimum of 20 hours per week of educational product. For students with disabilities, this would be considered and discussed at an IEP meeting.
- Parent directed home instruction independent study programs through the Community Home Education Program (CHEP) serving students in transitional kindergarten (TK) through grade 8 and Pacific Coast High School, a University of California (UC) approved and National Collegiate Athletic Association-accredited program serving students in grades 9-12. For students with disabilities this would be considered and discussed during an IEP meeting.

Referral Process to the Orange County Department of Education Alternative Community Correctional Education Schools and Services (ACCESS)

ACCESS Administrators regularly meet with school district representatives and agency partners to collaborate and coordinate placement of expelled students. Regional meetings of the Child Welfare and Attendance Administrators as well as district Student Attendance Review Board members provide an avenue for district and Orange County Department of Education representatives to discuss potential placement challenges, explore regional options and address the needs of expelled students.

Referrals to the Orange County Department of Education ACCESS program may be made directly to the Access Areas listed below. Referrals of students eligible under the IDEA shall be made through the IEP process and in accordance with ACCESS Special Education Procedures.

An Individual Learning Plan (ILP) will be developed for expelled students referred to ACCESS. Part of this plan includes a goal of assisting the student with meeting the requirements stated in the district rehabilitation plan to facilitate returning the student to the school district of residence at completion of the district expulsion. A Supplemental Referral Form and a Return to District Form were developed with the support of District Student Services Administrator's feedback in order to improve communication. Districts will use the "Supplemental Referral Form" to highlight unique needs of students, interventions in place, and rehabilitation plans for students. When returning to the district of residence, ACCESS will use the Return to District form to communicate student progress on the district rehabilitation plan as well as share important contact information in the case that questions may arise.

ACCESS and the Orange County school districts have resolved the difficulty for students returning to their district of residence following their expulsion period in regard to completing the required courses prior to graduation, which was a Gap in Service in the previous triennial countywide plan 2018-2021.

ACCESS and school district programs have implemented online programs that provide “a-g” approved courses as well as credit recovery options and electives, including career technical education. These programs have expanded the options available to expelled and returning students seeking to satisfy the “a-g” requirements or other college-preparatory courses. ACCESS continues to provide professional development to teachers to effectively utilize their on-line program. In addition, Pacific Coast High School (Administrative Area 5) offers a full range of college-preparatory courses satisfying the “a-g” requirements. *GradPoint*, the online course option with “a-g” approved courses utilized by ACCESS, satisfies the subject requirements for admission into the University of California and California State University Systems.

Summary of Gaps in Education Services to Expelled Students and Strategies for Filling Those Gaps

Previously identified gaps have been examined and considerable improvement has been made through a collaborative process between the 27 Orange County School Districts and the Orange County Department of Education. The 27 School Districts in Orange County and the Orange County Department of Education have committed themselves to an ongoing process to resolve the remaining identified gaps.

Service Gap 1: Expelled Students in Grades K-5

While there are several California Education Code sections that prohibit the expulsion of students in lower grades for various offenses, a student in grade K-3 can be expelled for commission of any of the other offenses. Specifically, Ed. Code section 48900(k) prohibits the expulsion of any student for disruption/defiance and Ed Code 48900.2 prohibits the expulsion of a student in K-3 for sexual harassment. Ed Code 48900.3 (hate violence) and 48900.4 (harassment, threats, or intimidation) pertain only to students in grades 4-12. As identified mainly by elementary school and smaller districts, students in grades K-5 who are expelled do not have as many educational options available as do expelled youth in grades 6-12. In some instances, it has been difficult to place elementary school students who are expelled, especially at the K-4 level. The number of community day schools at the elementary school grade level is very limited.

Progress from 2018

A common practice for students expelled in grades K-5 is for the school district to suspend the expulsion order and refer the student to another school within the district. School districts also may collaborate with each other to facilitate enrollment of an expelled elementary school student into a school in a different school district, when appropriate. School districts continue to have the option of referring expelled students to Skyview Elementary and Middle School, an Orange County Department of Education ACCESS program serving grades K-8. Skyview is a community elementary/middle school program designed to meet the needs of all at-risk children and offers community support programs for both the students and their families.

Ongoing Strategies for Addressing This Gap

Students in grades K-5 who are expelled, may be served through the following school district or Orange County Department of Education alternative education programs:

- Transfers within the home district which may include district community day school.
- Skyview Elementary and Middle School, located in the city of Orange, is operated by the OCDE ACCESS program and serves students in grades K-8.

- Students in grade 5, on a case-by-case basis, may be referred to other ACCESS school sites depending upon class composition at the time of referral.

The Orange County Department of Education continues to review the ongoing need for an elementary level regionalized community school program to serve elementary-aged students who may be expelled from their school district. Over the past five years, the number of expulsions for Orange County students in grades K-6, as reported to *DataQuest*, are as follows:

Year	K-3	4-6
2014-15	0	7
2015-16	0	7
2016-17	0	10
2017-18	0	9
2018-19	0	9

Orange County school districts continue to support one another and offer alternative placement options whenever possible, taking students who were expelled for non-mandatory expellable offenses especially in larger districts with community day school options or special classrooms on their sites. School districts are also expanding interventions through a Multi-Tiered System of Support framework with evidence-based programs such as Positive Behavior Intervention and Supports, Restorative Practice, Mindfulness Practice, Trauma-Informed Care Perspective and Resources, and Social and Emotional Learning resulting in reduction of expulsions at the elementary grade level. In addition, the tiered interventions and strategies of the Student Attendance Review Team (SART) and Student Attendance Review Board (SARB) processes are being implemented as preventative/early warning measures to reduce the number of suspensions and expulsion through a strength-based approach focusing on students' behavior (academic, attendance, social-emotional) challenges and family support.

Challenges to Addressing This Gap

- The location of the Skyview Elementary and Middle School site in proximity to the district of residence may pose a challenge to student attendance.
- In order to attend Skyview or other schools in neighboring school districts, students may require transportation. However, neither the districts or ACCESS provide transportation which is a challenge for some students to attend schools outside of the boundaries of the district of residence.

- The low number of elementary students in grades K-5 who need alternative placements due to expulsions continue to make it impractical and cost-inhibitive to sustain operation of multiple school sites and programs throughout the county.

Service Gap 2: Limited Special Education Placements in ACCESS

The Orange County Department of Education is committed to expanded program options for students with exceptional needs that have been expelled from school district programs. As identified through communications with SELPA and District-Special Education Directors, programs for emotionally disturbed and dual diagnosis (Emotionally Disturbed and Developmentally Delayed) students have been developed in some school districts as well as the OCDE Special Schools program. In addition, ACCESS continues to evaluate its Special Education services to provide a continuum of placement options. When a student's unique needs cannot be accommodated through existing OCDE program alternatives, the district of residence will continue to facilitate placement to meet the unique needs of individual students through district and non-public agency/non-public school (NPS) placements.

Progress from 2018

Orange County School Districts have continued to expand efforts to provide services to students within their attendance area reducing the need for referrals to ACCESS and the OCDE Special Schools program. The Orange County School Districts and OCDE will provide ongoing monitoring of the need for additional Special Education services for expelled students. The ACCESS program is prepared to respond to increased demands as conditions warrant in the future.

Programs for Students with intensive Mental Health needs:

- ACCESS has been able to expand the number of licensed mental health clinicians over the past several years. This has allowed for increased support during the school day while students are on campus. Continued expansion of programs for students with intensive mental health and behavioral needs is contingent upon the location of school sites that can accommodate such programs and sufficient enrollment to maintain such programs. Additional training in various behavior management strategies for both general education and special education teachers can support the increased needs of students being enrolled with mental health and behavioral needs.

Programs to Expand Continued Services for Special Education Students:

- Expanding program options for special education students continue to be evaluated through OCDE, Orange County SELPA Directors and Orange County School Districts.

ACCESS will continue to utilize its Director of Student Services as well as Special Education Administrative Liaisons/Coordinators to facilitate participation in district IEP team meetings when a referral for an expelled student is made to ACCESS. In addition, ACCESS has continued to increase its

special education staff including a focus to address the increased mental health needs for students with disabilities. ACCESS is able to provide intensive counseling services by licensed mental health professionals who have been trained in Trauma Informed Care and Restorative Practice. Small group therapy programs have also been developed to address issues that impact social functioning within the classroom and community, such as social skills, anger management and various coping skill strategies.

All ACCESS mental health clinicians will continue to receive training in the most current research-based training in various therapeutic therapies to address the changing needs of our students.

Ongoing Strategies for Addressing This Gap

School districts continue to create, expand, and have success with community day school programs for expelled students with special needs as an option to county operated and non-public school placements. ACCESS provides an inclusive educational setting with students mainstreamed into general educational programs. Placement at non-public schools (NPS) continues to be an option for school districts as well. In addition, districts are utilizing various flexible scheduling opportunities along with alternative education options to meet IEP goals, provide related services, and fulfill the requirements of the rehabilitation plan.

Challenges to Addressing This Gap

- Establishing a regionalized program in an alternative school setting that can be operated and maintained based on an unpredictable number of student referrals as well as transportation barriers pose ongoing challenges. These challenges impact the sustainability of regionalized special education programs operated by OCDE. Although some school districts have expressed a need for a self-contained special day class (SDC) for students with emotional and/or behavior disorders, this has not been sustainable for OCDE due to the minimal number of students being referred. Challenges to addressing Service Gap #1 may also have been a contributing factor to the limited number of referrals for establishing such a program.
- One area of continued concern expressed by some school districts is the ability of the ACCESS program to provide a Free Appropriate Public Education (FAPE) given its inclusive practices and independent study model. Based on the smaller class sizes in ACCESS and the individualized instructional model through contracted learning, the structure of the school day differs from a traditional school schedule and often requires modification of the IEP.
- Another area of concern has been the combined programming of middle school and high school programs. There is a desire to provide separate classes/programs for middle school students to better address their unique developmental and social-emotional needs, however the low numbers of referrals/enrollment of middle school students make it difficult to maintain separate programs.

Service Gap 3: Rehabilitation Failures

Based on a recent survey of Orange County School Districts, concerns about students failing to satisfy school district rehabilitation plans during the expulsion period were expressed in combination with general concerns about student transition as they reenter the district. On occasion, students do not meet the provisions of the expulsion rehabilitation plan and fall behind in their academic studies. In these cases, such students are at high risk of not completing their necessary credits and are at a higher risk of dropping out of school.

Progress from 2018

Over the past three years, OCDE has continued discussions with the Orange County School Districts to identify systematic approaches to facilitate the regular transfer of the rehabilitation plan upon referral of an expelled student, as well as identify community resources available to support students in meeting their district rehabilitation plan requirements.

Regional Administrative Areas help to promote communication between the districts and the county community schools, and ACCESS directors, coordinators, principals and assistant principals attend county Student Services meetings to facilitate ongoing communication. In addition, the ACCESS Student Attendance Review Board (SARB) process has been coordinated more efficiently and ACCESS utilizes one of its staff members in truancy court to make sure students attend school and are connected to community resources.

Ongoing Strategies for Addressing This Gap

Districts will be asked to provide ACCESS a copy of the rehabilitation plan when referring an expelled student. ACCESS staff will review the rehabilitation plan with the student and, as appropriate, the student's parents, and will assist the student in completing his/her plan requirements. Orange County School Districts and ACCESS have implemented the use of a supplemental referral form when students are referred to an ACCESS program. This form includes specific information about a student's needs as well as progress and action items needed to complete the rehabilitation plan requirements. School staff will continue to monitor student achievement toward rehabilitation plan requirements throughout the term of expulsion while educational services are provided by ACCESS or private agencies. For students struggling to meet rehabilitation plan requirements, the student consultation team process may be considered to provide additional support. Continued, two-way communication and collaboration with school district personnel will continue to be a priority. Enhanced communication promotes student success and early intervention when students are not meeting the terms of the rehabilitation plan. In addition, communication is vital between the districts and ACCESS regarding the status of students who are returning to the district. When returning to the district, ACCESS staff will continue to use the Student Transition form to communicate information on student's completion of the rehabilitation plan.

Districts have expanded their programs and services to support expelled students by hiring additional staff and assigning specific duties to staff to monitor the completion of the student's rehabilitation plan and to communicate/collaborate with ACCESS and other programs. In addition, to meet the academic needs of the students and to ensure that they acquire the necessary credits to meet the graduation requirements, districts have expanded their instructional programs to include enhanced Summer School and after-school programs, district online instruction, and tutoring support for expelled students. Furthermore, upon re-entry to the district, students will continue to be closely monitored and supported by school staff through the creation of a behavior contract, needs assessment survey, and the opportunity for alternative placement at a different school site within the district.

OCDE will continue to explore with districts how to utilize and expand existing collaborations to ensure student success with completion of the rehabilitation plan. This includes the use of community non-profits and private programs to assist in carrying out individual student rehabilitation plans.

Challenges to Addressing This Gap

- A challenge continues to be communication between the districts and ACCESS in ensuring that the district's rehabilitation plan is completed by the student. In some cases, districts do not directly share the student's rehabilitation plan with ACCESS in a timely manner or at all, thus leaving this task to parents and students to provide.
- There continues to be a need to identify additional intervention services for students to meet the specific requirements of their rehabilitation plans especially when involving mental health services.

Service Gap 4: Mental Health Services

Orange County School Districts are seeing an increased need for mental health services and a shortage of affordable and accessible options for students.

Progress from 2018

The Orange County Department of Education will continue to work to promote school and community partnerships and professional development to address the mental health needs of students. The development of Local Control Accountability Plans gives greater attention to the mental health needs of students and the county office will assist districts as they strive to find ways to address the social emotional needs of their students and support the "whole child." This is one of OCDE's strategic initiatives articulated in its 2016 -2019 Strategic Plan. OCDE, which heads the California SUMS (Scale Up Multi-Tiered System of Support) initiative, continues to provide technical assistance to many Orange County School Districts in the areas of Academic, Behavioral, and Social and Emotional support. OCDE continues to share-out local resources through network meetings and listservs. The ACCESS program will continue to work with districts to identify and assist expelled students who have mental health needs and whose

family needs resources to care for the whole child. To this end, ACCESS has a number of mental health clinicians. ACCESS will continue to provide more intensive counseling services by licensed mental health professionals who have been trained in **Trauma Informed Care** and Restorative Practice. In addition, ACCESS mental health clinicians are trained in **Trauma Focused Therapy**. The Orange County SELPAs, school districts and OCDE continue to assess any gaps resulting from changes in the funding structures to ensure the availability of appropriate mental health services for both general education and special education students expelled from school.

Ongoing Strategies for Addressing this Gap

OCDE was awarded the **Mental Health Student Services Act (MHSSA) Grant** in partnership with OCHCA through August 31, 2024, with the purpose to strengthen mental health partnerships between county mental health or behavioral health departments, community-based organizations, and Orange County school districts in order to increase access to mental health services and remove barriers to better serve our students and families in their mental health needs. Expected outcomes related specifically to serving and supporting expelled students are as follow:

- Improve timely access to accessing services.
- Reduce barriers to needed services.
- Increase linkages to mental health services for districts.
- Increase training on mental health topics to educators, administrators, parents/families, and students.
- Improve awareness and understanding of mental health topics and knowledge of how to navigate services.
- Reduce negative student outcomes (e.g., chronic sadness, thoughts of suicide, suicide rates, chronic absenteeism, school failure, etc.).

To accomplish these goals as a Community of Practice, the grant provides funding for seven (7) Regional Mental Health Coordinators (RMHC).

To decrease the student to mental health staff ratio and increase students' access to services, districts have continued to hire more counselors, therapists, psychologists, social workers, clinicians/specialists, administrators/coordinators and increase the number of partnerships with community agencies to expand student access to mental health services, crisis response services, and special education services. Some districts have shifted the duties and responsibilities of existing staff to include mental health support services and community coordination/partnerships for mental health services for students. Districts have placed particular focus on at-risk students, low socio-economic students, Homeless and Foster Youth, LGBTQIA students, and students with irregular school attendance.

Furthermore, districts have participated in Trauma-Informed Care and Education, Trauma Focused Therapy, Social-Emotional Learning (SEL) competencies and Diversity, Equity, and Inclusion (DEI) trainings provided by OCDE in addition to contracting with community agencies to provide similar training to counselors and teacher/staff training within the district. OCDE and Orange County school districts will continue to collaborate about the districts' needs for additional student mental health training and technical assistance with implementing behavior supports and strategies. To implement Positive Behavior Intervention and Supports (PBIS) strategies schoolwide, some districts have established School Climate Lead Teachers and Teams at each school site to enhance the collaboration and coordination of the multi-tiered framework of support.

Challenges to Addressing This Gap

- The distribution of community mental health resources and services, specifically mentorship services, are not equitably dispersed or available throughout the communities within the Orange County school districts.

<p>COUNTYWIDE BEHAVIOR INTERVENTIONS AND BEST PRACTICES TO PREVENT SUSPENSIONS AND EXPULSIONS</p>
--

Orange County schools seek to minimize the number of expulsions by establishing prevention and early intervention practices. School districts pursue a variety of strategies in an effort to educate students and establish a safe and caring climate to prevent student misconduct. When warranted, disciplinary measures are implemented consistent with district policies and procedures to ensure fair and consistent disciplinary measures. These efforts will continue to prevent any disproportionate representation of minority students recommended for expulsion.

Expulsions occur when student and campus safety is threatened or when other means of correction have not been successful. Districts engage in a number of preventive and proactive strategies including but not limited to the following:

- Adult Mentoring of Students
- After School Programs
- After-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups.
- Alternate Suspension Classrooms (ATS)

- Annual Notice of Parent Rights and Responsibilities
- Anti-bullying Programs
- Any of the alternatives described in Section 48900.6 related to community service
- Athletic Drug Testing
- Automated Telephone Notifications
- Behavior Skills Group
- Brief Intervention Counseling (Substance Abuse Counseling)
- Canine Solutions for Contraband Canine School visits
- Character Counts
- Check-in, Check-out
- Classroom Management training for administrators and teachers
- Clifton Strengths Finder
- Come Walk In My Shoes (abilities awareness)
- Community Partnership
- Conferences between school personnel, the pupil's parent or guardian, and the pupil.
- Conflict Mediators/Conflict Resolution Services
- Coordinated Approach to Children's Health (CATCH)
- Crisis Response Network (CRN)
- Enrollment in programs for teaching prosocial behavior or anger management
- Every 15 Minute Program
- Friday Night Live
- Gang Resistance Intervention Partnership (GRIP)
- Grad Night Activities
- Homework Clubs
- In-school Suspensions
- Juvenile Alcohol and Drug Education (JADE), PRYDE Program, Outreach Concern, Straight Talk, Western Youth Services and Other Community Counseling Partnerships
- Kindness Assemblies

- Link Crew
- Mindfulness practice/implementation of Mindful Mondays
- Multi-Tiered System of Support Framework (MTSS Continuum of Support)
- Online Classes and Credit Recovery Opportunities
- Other Means of Correction (OMC) and early intervention training for administrators and teachers
- Parent Meetings and Information Nights
- Peace Week (Anti-bullying week)
- Peer Assistance League (PAL)
- Peer Court
- Police Cadet Programs
- Positive Behavior Intervention and Supports
- Random Acts of Kindness
- Red Ribbon Week
- Referrals for comprehensive psychosocial or psychoeducational assessment, including for purposes of creating an individualized education program, or a plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794(a)).
- Referrals to the school counselor, psychologist, social worker, child welfare attendance personnel, or other school support service personnel for case management and counseling.
- Restorative Practices
- Safety Task Force
- Saturday School
- School-based Trauma-Informed Care Perspective and Resources training for school personnel
- School Attendance Review Board (SARB)
- School Attendance Review Team (SART)
- School counseling website with online counseling for self- and peer-referral services
- School Signs and Notices
- Social Emotional Learning (SEL) Curriculum vetted CASEL such as Second Step and Sanford Harmony
- Stanford Tobacco Prevention Toolkit

- Student Behavior Contracts
- Student Clubs and Organizations
- Student Safety Plans
- Study teams, guidance teams, resource panel teams, or other intervention-related teams that assess the behavior, and develop and implement individualized plans to address the behavior in partnership with the pupil and his or her parents
- Successful Mind for School, Work, and Life
- Text-A-Tip
- Thrively (as an interests/strengths assessment and career explorer curriculum)
- TUPE/DATE activities
- Tutoring
- Universal Design for Learning
- Violence Prevention Curricula
- Violence Prevention Education Services
- WEB (Where Everybody Belongs)

Additional proactive and preventative strategies to address student disciplinary incidences in light of Distance and Hybrid Learning:

- Care and Support Hotlines to share need-based district and community resources
- Distance Learning for credit recovery for students to meet the academic objectives of the Rehabilitation Plan
- District virtual calming rooms with multifaceted approaches to reduce stress, improve mood, and assist with academic functioning by addressing social emotional barriers
- Online Needs Surveys for staff, students and families
- Teletherapy or phone sessions for social-emotional support and stress reduction for students
- Virtual small group counseling sessions for students

PLAN FOR PROVIDING EDUCATIONAL SERVICES TO ALL EXPELLED STUDENTS IN PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT

As required by Education Code 48926, the Orange County Superintendent of Schools has developed an expulsion plan in conjunction with the Superintendents of the school districts in Orange County. The plan provides for educational services to all expelled students in the county for school years 2021-2022, 2022-2023, and 2023-2024. A student whose behavior has resulted in an expulsion is provided a rehabilitation plan which ensures placement in an educational program and establishes the criteria for return to the Placentia-Yorba Linda Unified School District. All educational alternatives provided by Orange County school districts are not available to all expelled students. The type of offense, location of offense, grade level and nature of the student's individualized needs; all have the potential to affect the educational alternatives available to the student during the period of expulsion. Students expelled for any of the offenses listed in subdivision (a) or (c) of Section 48915 of the California Education Code shall not be permitted to enroll in any district-operated program during the period of expulsion unless it is a community day school (E.C. 48915.2).

The District policies related to Expulsion are BP 5114.3 and AR 5114.3.

Placentia-Yorba Linda Unified School District Prevention Activities

As indicated in the Orange County Expulsion plan, the options available to Placentia-Yorba Linda Unified School District after an expulsion decision include, but are not limited to the following:

1. Expulsion, suspended order, with placement on the same school campus [E.C. section 48917 (a)].
2. Expulsion, suspended order, with placement on a different school campus within the district [E.C. section 48917 (a)].
3. Expulsion with referral to a district community day school program, if available [E.C. section 48660].
4. Expulsion with subsequent transfer to another district subject to acceptance by the district of proposed enrollment [E.C. section 48915.1].
5. Expulsion with referral to the Orange County Department of Education, Division of Alternative, Community and Correctional Education Schools and Services (ACCESS) [E.C. section 1981].
6. Expulsion with referral to a Non-public school, if Special Education services cannot be met at ACCESS, and the IEP team determines that it is the appropriate placement.

In lieu of expulsion considerations will be given when safety and/or other means of correction are deemed warranted.

Actual referral to a district alternative suspension/expulsion classroom or county community school is made by the PLACENTIA YORBA LINDA UNIFIED School District governing board with recommendations from the Site Guidance Team, School Attendance Review Board (SARB), or District Student Study Team. (Article 1 repealed and added by Stats. 1983, Ch. 498, Sec. 91.)

48926.

Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education.

The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

Each county superintendent of schools, in conjunction with the superintendents of the school districts, shall submit to the Superintendent of Public Instruction the county plan for providing educational services to all expelled pupils in the county no later than June 30, 1997, and shall submit a triennial update to the plan to the Superintendent of Public Instruction, including the outcome data pursuant to Section 48916.1, on June 30th thereafter.

(Added by Stats. 1995, Ch. 974, Sec. 8. Effective January 1, 1996. Operative July 1, 1996, by Sec. 9 of Ch. 974, which was amended by Stats. 1996, Ch. 937.)

SUBJECT: **SERVICE AGREEMENT WITH PAPER EDUCATION COMPANY, INC.**

DATE: March 9, 2021

BACKGROUND: Paper Company, Inc. is a chat-based tutoring company that provides a platform to support personalized learning for students by improving student achievement and teacher effectiveness. The subscription with Paper Company, Inc. offers the opportunity to promote education equity, increase student engagement, provide students with qualified tutors in a safe online environment, as well as close the feedback loop between students, teachers, and administrators through simplified remote learning.

RATIONALE: The service agreement will add students in Grades 3-5 to the online accounts for the remainder of the 2020-21 school year at a discounted rate in addition to continuing the program for Grades 3-12 in the 2021-22 school year. The current hybrid model and need to address learning loss has created a need for the expansion of the availability of online resources for all students. Paper will execute professional development and student orientations for the students participating in the agreement, in addition to teacher user accounts and administrator accounts at no additional cost.

FUNDING: Learning Loss Mitigation, NTE: \$27,500 for the 2020-21 school year

BOARD FOCUS AREA: This board agenda item supports Focus Area 1.0, *Academic Achievement* – “Student achievement is at the core of the PYLUSD mission and vision. We expect all students to demonstrate continued and improved academic achievement in order to emerge college and career ready. In addition, students are provided an array of enrichment opportunities to expand their educational experience.”

RECOMMENDATION: Approve the service agreement with Paper Company, Inc. to add Grades 3-5 in the 2020-21 school year and extend the agreement to the 2021-22 school year for Grades 3-12 in the Placentia-Yorba Linda Unified School District.

SUBJECT: **2020-21 SECOND INTERIM FINANCIAL REPORTING AND CERTIFICATION OF DISTRICT FINANCIAL SOLVENCY**

DATE: March 9, 2021

BACKGROUND: Education Code Section 42130 requires that district superintendents submit two interim reports each year to the district governing board indicating whether or not the district will be able to meet its financial obligations. Under AB 1200, the superintendent must submit the second interim report no later than forty-five days after January 31 (due March 15).

Based on a review of the District's financial data as contained in the Second Interim Report, staff believes the District can meet its financial obligations for the year ending June 30, 2021, and two subsequent years. In submitting the 2020-21 Second Interim Report, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current and subsequent two fiscal years.

RATIONALE: Section 42130 of the Education Code requires that, on the basis of these reports, the district board must certify in writing whether or not it believes the district can meet its financial obligations for the remainder of the fiscal year and submit the certification to the county superintendent of schools.

FUNDING: Not applicable

BOARD FOCUS AREA: This board agenda item supports Focus Area 5.0, *Optimized Resources* – "A critical measure of a school district's performance is the effectiveness with which it utilizes and generates resources. We ensure that all fiscal and capital resources maximize educational opportunities."

RECOMMENDATION: Approve the 2020-21 Second Interim Report with a positive certification. A positive certification indicates that based upon current projections, the District will meet its financial obligations for the current fiscal year and subsequent two fiscal years.
