STUDENT BOARD REPORT

Student Board Member Lauren Farer provided a report of the activities and events occurring at the district's high schools.

SUPERINTENDENT'S REPORT

Dr. James Elsasser opened his report by commenting on how incredibly exciting the first day of school was for students of all ages who met new teachers and staff members and reunited with friends as we welcomed them back to full-time learning. He thanked staff for all of the planning and preparation to ensure we experienced a successful start.

Superintendent Elsasser shared that the recent surge of COVID-19 cases across the state and nation has made us realize that we will once again require patience, flexibility, and grace as we navigate the ever-changing nature of the pandemic. By following the mandates outlined in the California Department of Public Health's COVID-19 Public Health Guidance for K-12 Schools, we are able to offer full-time, in-person instruction to all students safely, even if pandemic dynamics shift throughout the school year.

SUPERINTENDENT'S REPORT (Continued)

Dr. Elsasser reported that our friends at the City of Placentia as well as the California Office of Traffic Safety and Walk n Rollers non-profit organization are hosting the Placentia Walk and Roll Festival this Saturday, September 18 from 9 a.m. to 1 p.m. at Kraemer Middle School in Placentia. The District is grateful to have such supportive local partners who prioritize the safety and well-being of our entire community.

As we marked the 20th anniversary of 911, Dr. Elsasser shared that every year on September 11, known as Patriot Day, PYLUSD facilities fly flags at half-staff, and all schools hold special activities in remembrance such as sharing about the day's historical significance through morning and video announcements, and so much more. PYLUSD will never forget.

In closing, Dr. Elsasser noted that President Karin Freeman was awarded the California School Boards Association's "Golden Gavel" which is presented to one deserving school board member across the state. The Golden Gavel Award recipient exemplifies best practices in effective governance and boardsmanship. Dr. Elsasser congratulated Mrs. Freeman and shared that CSBA plans to officially recognize President Freeman in December.

SUBJECT: **ADOPTION OF ELEMENTARY AND SECONDARY EMERGENCY RELIEF (ESSER III) EXPENDITURE PLAN**

DATE: October 12, 2021

BACKGROUND: Local Education Agencies (LEAs) that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use their ESSER III funds. In the plan, an LEA must explain how it intends to use its ESSER III funds to address students' academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by, the COVID-19 pandemic. An LEA may also use its ESSER III funds in other ways, as detailed in the Fiscal Requirements section of the instructions. In developing the plan, the LEA has the flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP), provided that the input and actions are relevant to the LEA's Plan to support students.

RATIONALE: The LEA's Governing Board must adopt the ESSER III Expenditure Plan on or before October 29, 2021.

SUBJECT: **AGREEMENT v127498 BETWEEN PBIS REWARDS AND PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT**

DATE: October 12, 2021

BACKGROUND: PBIS Rewards is a school-wide management system that will assist Wagner Elementary in the area of primary prevention by making it quick and easy to continuously reward students for meeting behavior expectations. Teachers and staff reward students with points with a simple click of their smartphone or iPad anytime students are observed following behavior expectations regardless of where it takes place. Teachers can use a web browser and the PBIS Rewards feature to award points in the classroom. Everything is tracked and recorded via this digital platform. The system makes it easy for students to know their account balance, and it is easy for schools to manage every aspect of the program. The system reports show how teachers are using the program so that Wagner Elementary can identify where additional staff training or feedback may be needed. Consistent and continual use of positive reinforcement is always at the forefront of the students' minds. Therefore, it will have a positive impact on the overall school culture and climate.

RATIONALE: PBIS Rewards integrates several systems (PBIS Rewards, Advanced Referral System, and Teacher Rewards) to make this a schoolwide approach. The primary purpose of implementing PBIS is to create a culture of high expectations for all students. Our rationale for the use of this system is to create a school setting to allow students to grow educationally, emotionally, and socially.

FUNDING: Expanded Learning Opportunity grant: NTE: \$1,803
