RESOLUTION NO. 22
APPROVING FINAL ACCEPTANCE OF REAL PROPERTY (COMMONLY KNOWN AS NORTH
ORANGE COUNTY COMMUNITY COLLEGE CAMPUS)**

WHEREAS, the Placentia-Yorba Linda Unified School District ("District") desires to acquire approximately 15.555 acres of real property (and 39,384 sq. ft. building), located in the City of Yorba Linda, County of Orange, State of California, more commonly known as the "North Orange County Community College Campus" ("Property"), and as more particularly described in Exhibit "A," for use with the District's proposed future Yorba Linda High School Project;

WHEREAS, the District and the owner of the Property, the North Orange County Community College District, have negotiated a proposed Purchase Agreement for the District's acquisition of the Property and entered escrow for the Property pursuant to direction from the Board of Education on February 11, 2003;

WHEREAS, the District contracted with an environmental assessor to conduct a Phase I Assessment of the Property ("Phase I Assessment");

WHEREAS, District staff has reviewed the Property utilizing the site selection standards set forth in Sections 14001 and 14010 of Title 5 of the California Code of Regulations and have determined that the Property is suitable for the school facility construction;

WHEREAS, pursuant to Education Code Section 17213, the District has given notice to and consulted with the governing air quality management district ("Air Quality District") and the applicable administering agency ("Administering Agency") requesting identification of facilities located within one-fourth of a mile of the Property which might reasonably be anticipated to emit hazardous air emissions or acutely hazardous materials, substances, or waste;

WHEREAS, District staff has reviewed the Property pursuant to Education Code Section 17213(a) and has confirmed that the Property has not been nor is currently a solid waste disposal site, hazardous substance release site or a site containing hazardous substance or natural gas pipelines;

WHEREAS, the District shall comply with the geological and site acquisition findings and procedures pursuant to Education Code Sections 17212 and 17213.1, prior to approval, construction and application for state funding for the District's proposed future Yorba Linda High School Project;

WHEREAS, pursuant to Government Code Section 27281, deeds or grants conveying any interest in or easement upon real estate to a political corporation or governmental agency for public purposes cannot be accepted for recordation without the consent of the political corporation or governmental agency evidenced by its certificate or resolution of acceptance attached to or printed on the deed or grant; and

NOW, THEREFORE, the Board of the Placentia-Yorba Linda Unified School District hereby finds, determines, declares, orders and resolves as follows:

Section 1. That all of the recitals set forth above are true and correct, and the Board so finds and determines.

Section 2. That the acquisition of the Property meets the site selection standards set forth in Section 17211 of the Education Code and Sections 14001 and 14010 of Title 5 of the California Code of Regulations.

Section 3. That pursuant to Education Code Section 17213, consultation with the Air Quality District, the Administering Agency, and the District's environmental consultants regarding the Property has resulted in the conclusion that there are no facilities within one-fourth of a mile of the Property which might emit hazardous air emissions; or acutely hazardous materials, substances, or waste.

Section 4. That pursuant to Education Code Section 17213(a), the Property has not been nor is currently a solid waste disposal site, hazardous substance release site or a site containing hazardous substance or natural gas pipelines.

Section 5. That the District shall make all necessary geological and site acquisition findings and comply with all procedures under Education Code Sections 17212 and 17213.1 prior to approval, construction and application for state funding for the District's proposed future Yorba Linda High School Project.

Section 6. That the District shall purchase the Property upon the terms and conditions set forth in the Purchase Agreement.

Section 7. That District's Superintendent, or his designee, is directed, at the close of escrow for the Purchase Agreement, to accept and consent to the conveying of such applicable property to the District pursuant to Section 27281 of the Government Code.

Section 8.
