### **CONFLICT OF INTEREST CODE**

The Political Reform Act, Government Code Section 81000, et seq, requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations, Section 18730, which contains the terms of a standard model Conflict of Interest Code which can be incorporated by reference, and which may be amended to conform to amendments in the Political Reform Act.

Therefore, the district's Conflict of Interest Code shall be comprised of the terms of 2 CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with the attached Appendix specifying designated positions and the specific types of disclosure statements required for each position.

Persons holding designated positions shall file statements of economic interests in accordance with requirements of the Conflict of Interest Code.

Statements of economic interests submitted to the district by designated employees in accordance with the Conflict of Interest Code shall be available for public inspection and reproduction. (Government Code 81008)

Governing Board members shall not engage in any employment or activity which is inconsistent with, incompatible with, in conflict with or inimical to the Board member's duties as an officer of the district. (Government Code 1126)

Board members and designated employees shall not be financially interested in any contract made by the Board or in any contract they make in their capacity as Board members or designated employees. (Government Code 1090)

If a Board member or designated employee determines that he/she has a financial interest in a decision, as described in Government Code 87103, this determination shall be disclosed. The member shall be disqualified from voting unless his/her participation is legally required. (2 CCR 18700)

A Board member shall not be considered to be financially interested in a contract if any of the exceptions set forth in Government Code Section 1091.5 apply.

A Board member shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. Remote interests are specified in Government Code 1091 (b); they include, but are not limited to, the interest of a parent in the earnings of his/her minor child. (Government Code 1091)

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)
