Terms of Bonds.** The Bonds shall be issued in one or more series designated “Placentia-Yorba Linda Unified School District (Orange County, California) General Obligation Bonds, 2008 Election, Series B,” with an additional series designation in the event Direct Pay Build America Bonds are issued.

Any Current Interest Bonds, if issued, shall be dated their date of delivery and shall bear interest at the rate or rates not to exceed the legal maximum, payable on February 1 and August 1 of each year commencing August 1, 2010, through August 1 of a year no later than 2045 (each an “Interest Payment Date”), unless provisions to the contrary are provided upon the sale of the Bonds, the actual interest rate or rates and the actual maturity schedule to be fixed at the time of sale. Each Current Interest Bond shall be issued in denominations of \$5,000 or integral multiples thereof.

The Capital Appreciation Bonds, if issued, shall accrete interest from the date of issuance of the Capital Appreciation Bonds to their maturity at a rate or rates such that the true interest cost shall not exceed

the legal maximum. The Capital Appreciation Bonds shall be issued in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof. The Capital Appreciation Bonds shall mature on August 1 of the years designated upon the sale of the Bonds. Interest on each Capital Appreciation Bond shall be compounded semiannually on February 1 and August 1 of each year until maturity, commencing on the date of issuance thereof, computed using a year of 360 days, comprised of twelve 30-day months, and shall be payable only at maturity as part of their Maturity Amount or upon prior redemption.

Only such of the Bonds as shall bear thereon a certificate of authentication and registration in the form hereinafter recited, manually signed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

The Bonds shall be issued as fully registered bonds without coupons and the Current Interest Bonds shall mature in consecutive order beginning on August 1, 2010, and ending on August 1 of their final year unless provided otherwise upon the sale of the Bonds, and in the Principal or Maturity Amounts to be fixed at the time of sale of the Bonds.

The Bonds shall be sold as provided in Section 13 hereof; notwithstanding anything herein to the contrary, the terms of the Bonds as set forth in this Resolution may be amended prior to delivery in accordance with the provisions of the Purchase Contract or Official Statement, as finally approved and executed by the Superintendent on behalf of the District. The District shall prepare a Preliminary and a final Official Statement with respect to the Bonds, in compliance with Rule 15c2-12 promulgated by the Securities and Exchange Commission (collectively, the "Official Statement") and such Official Statement is hereby approved and deemed nearly final. The Board hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate in substantially the form attached to the Official Statement.

#### **SECTION 4. Delivery of Bonds, Disposition of Proceeds of the Bonds, Security for the Bonds.**

The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price in immediately available funds.

The proceeds from the sale of the Bonds, to the extent of the principal amount thereof, shall be paid and credited to the fund established and designated as the "Placentia-Yorba Linda Unified School District General Obligation Bond, 2008 Election, Series B Building Fund" (the "Building Fund") of the District, and shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and for payment of permissible costs of issuance and provided further that such proceeds shall be applied solely to authorized purposes which relate to the acquisition or improvement of real property. The interest earned on the monies deposited to the Building Fund shall be deposited to said Fund and such monies shall be used for any lawful purpose of the District at the direction of the District.

The accrued interest and any premium received from the sale of the Bonds (if any, after all or a portion of Underwriter's discount or costs of issuance are paid) shall be kept separate and apart in the fund established and designated as the "Placentia-Yorba Linda Unified School District General Obligation Bond, 2008 Election, Series B Debt Service Fund" (the "Debt Service Fund") for the Bonds and used only for payments of principal and interest on the Bonds. Interest earned on investments of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest when due.

If the Bonds are issued as more than one series, a Building Fund and a Debt Service Fund for each series of Bonds will be established and maintained as separate accounts.

For any Bonds issued as Direct Pay Build America Bonds, the District will deposit, or cause to be deposited, in the Debt Service Fund each Refundable Credit Payment (as defined below) received with respect to the Bonds to be used to pay principal and interest coming due on the Bonds.

Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which Bonds are being issued shall, at the direction of the District, be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

Proceeds of the Bonds held by the Treasurer shall be invested at the Treasurer's discretion pursuant to law and the investment policy of the County, unless otherwise requested in writing by the District.

(i) At the written request of the District, given by the Superintendent of the District, the Treasurer may invest all or any portion of the Building Fund in the Local Agency Investment Fund in the treasury of the State of California.

(ii) At the written request of the District, given by the Superintendent of the District, all or any portion of the Building Fund may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds.

The District covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Resolution, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund, which fund is irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due. The monies in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same becomes due and payable, shall be transferred by the Treasurer to the Paying Agent for subsequent disbursement to the beneficial owners of the Bonds. Any monies remaining in the Debt Service Fund one year after the Bonds and the interest thereon have been paid at maturity, or provision for such payment has been made, shall be transferred to the general fund of the District.

#### **SECTION 5. Redemption.**

The Bonds shall be subject to redemption as provided upon the sale of the Bonds.

**SECTION 6. Form of Bond.** The Bonds shall be substantially in conformity with Exhibit "A" attached hereto, and incorporated herein by this reference as if set forth in full, with necessary or appropriate variations, omissions and insertions as may be permitted or required by this Resolution.

**SECTION 7. Execution of Bonds.** The Bonds shall be executed by the manual or facsimile signatures of the President of the Board of Education, and the Clerk of the Board of Education. The facsimile signatures of the President and the Clerk of the Board of Education may be printed, lithographed, engraved, or otherwise mechanically reproduced. The Paying Agent shall manually authenticate each Bond in the space provided, and no Bond shall be valid or obligatory for any purpose until so authenticated.

**SECTION 8. Bond Registration; Transfers.** As hereinafter provided, the Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, immobilized with DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Bonds as provided in this Section (the "Bond Register"). While the book-entry only system is in effect, such books need not be kept, as the Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

The person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Any Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants) be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

Neither the District, nor the Paying Agent will be required to: (a) issue or transfer any Bonds during a period beginning with the opening of business on the 16th day of the month next preceding either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 9. Paying Agent.**

(A) *Appointment of Paying Agent.* The Paying Agent for the Bonds shall be designated upon the sale of the Bonds and, in such capacity the Paying Agent shall also act as registration agent and authentication agent for the Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the District a certificate to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

(B) *Paying Agent May Hold Bonds.* The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

(C) *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(D) *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(E) *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any

liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

**SECTION 10. Book-Entry System.** The Bonds will be issued in book-entry form by appointing DTC, 55 Water Street, 19th Floor, New York, New York 10041, to act as securities depository for the Bonds. A single certificate, representing the aggregate principal amount of each maturity of Bonds, will be executed and delivered on the day of the closing to DTC. Upon closing, the County shall notify DTC that it has accepted payment of the purchase price of the Bonds, at which time DTC (in accordance with the Letter of Representations defined below) will credit the account of the Underwriter, and process the book-entry deliveries to the accounts of the subsequent purchasers of interests in the Bonds. The Bonds will be lodged with DTC until the maturity of each Bond. On the Business Day prior to each date of maturity of a Bond, the Treasurer shall remit to the Paying Agent from the Bond Fund sufficient moneys for the Paying Agent to pay all outstanding principal of and interest on such Bond.

To induce DTC to accept the Bonds as eligible for the book-entry form of issuance, the District will enter into a Letter of Representations with DTC (the "Letter of Representations") setting forth the terms and conditions of, and procedures for, the book-entry only form of issuance.

**SECTION 11. Satisfaction and Discharge.** The obligations of the District hereunder and under the Bonds herein or therein made or provided for, are to be fully discharged and satisfied as to any Bond and such Bond will no longer be deemed to be outstanding and shall be deemed to have been paid for all purposes:

(a) when such Bond is canceled or surrendered for cancellation and is subject to cancellation, or has been purchased by the Paying Agent from moneys in the Bond Fund of the District; or

(b) as to any Bond not canceled, surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of and the applicable premium, if any, on any Current Interest Bond, plus interest on such principal to the due date thereof, or the accreted value of any Capital Appreciation Bond as of the due date thereof (whether such due date be by reason of maturity or by acceleration or otherwise), either (i) has been made or caused to be made in accordance with the terms hereof, or (ii) has been provided for by irrevocably depositing with the Paying Agent, in trust, and irrevocably appropriated and set aside exclusively for such payment, either (A) moneys sufficient to make such payment or (B) Government Obligations, as defined below, maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, or (C) a combination of both such moneys and such Government Obligations; and all necessary and proper fees, compensation and expenses of the Paying Agent with respect to such deposit have been paid or the payment thereof has been provided for to the satisfaction of the Paying Agent. For the purposes of this Section, the term "Government Obligations" shall mean any of the following which are noncallable and which at the time of investment are legal investments under the laws of the State of California for the moneys proposed to be invested therein: (x) direct obligations of the United States of America (including obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States of America), or obligations, the principal of and interest on which are unconditionally guaranteed by the United States of America; or (y) bonds, debentures or notes issued by any of the following: Banks for Cooperatives, Federal Intermediate Credit Banks, Federal Home Loan Bank System, Federal Land Banks or Federal Farm Credit Banks.

At such time as a Bond is deemed to be no longer outstanding hereunder, such Bond shall cease to accrue interest or accrete value from the due date thereof (whether such due date be by reason of maturity or acceleration as aforesaid, or otherwise), and except for any payment from such moneys or Governmental Obligations set aside as aforesaid, shall no longer be secured by or entitled to the benefits of this Resolution.

**SECTION 12. Arbitrage and Other Tax Matters.**

Private Activity Bond Limitation. The District covenants that it shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

Federal Guarantee Prohibition. The District covenants that it shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

Rebate Requirement. The District covenants that it shall take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such Section is applicable to the Bonds.

No Arbitrage. The District has covenanted that it shall not take, or permit or suffer to be taken any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

Maintenance of Tax-Exemption. The District covenants that it shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

Tax Covenants Relating to Build America Bonds. For any Bonds issued as Direct Pay Build America Bonds, the District covenants as follows:

A. Election to Apply Section 54AA(d) of the Code. The District hereby irrevocably elects to apply the provisions of Section 54AA(d) of the Code to the Bonds and intends that the Bonds be treated as Build America Bonds (“BABS”). In addition, the District hereby irrevocably elects to treat the Bonds as “Qualified Bonds” within the meaning of Section 54AA(g)(2) of the Code such that the Bonds will be eligible for direct payment by the federal government of a refundable credit equal to 35 percent (35%) of interest payable on the Bonds (the “Refundable Credit Payment”).

B. Filing of Forms to Receive Refundable Credit Payment. The District will, within the 45-day period beginning on the date that is 90 days before the next interest payment date with respect to the Bonds, file Form 8038-CP or any successor form designated by the federal government, requesting payment of the Refundable Credit Payment with respect to the next interest payment on the Bonds.

C. Limitation on Original Issue Premium. All Bonds of each maturity of the issue will be offered to the ultimate purchasers thereof (not including bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the price of par and, at least ten percent (10%) of the first bonds sold in each maturity of the issue will be actually sold at a price not excess of the par amount thereof x .0025 x the number of complete years to maturity from the date of issue of the bonds to the date of said maturity.

D. Private Activity Bond Limitation. The District shall assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

E. Financing Capital Expenditures, No Working Capital. All amounts in excess of Available Project Proceeds of the Bonds less Available Project Proceeds of the Bonds, if any,

deposited in a reasonably required reserve or replacement fund will be spent on capital expenditures with a reasonably expected economic life of one year or more.

F. Limitation on Issuance Costs. No proceeds of the Bonds and investment earnings thereon, in an amount in excess of two percent (2%) of the proceeds of the sale of the Bonds, will be used to pay costs of issuing of the Bonds. If the fees of the original purchaser of the Bonds are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for said fees.

G. Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code. For this purpose, the Refundable Credit Payment shall not be treated as a federal guaranty.

H. Rebate Requirement. The District shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

I. No Arbitrage. The District shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

J. Expenditure of Proceeds to Assure BABS Eligible for Refundable Credit Payment. The District shall take all actions necessary to assure that the proceeds of the Bonds are expended and all federal tax requirements are met so as to cause the Bonds to be treated as BABS and Qualified Bonds and therefore be eligible for the Refundable Credit Payment within the meaning of Sections 54AA and 6431 of the Code.

**SECTION 13. Sale of Bonds.** The Bonds will be sold at negotiated sale by the District pursuant to the terms and conditions set forth in a Purchase Contract (the "Purchase Contract"). The interest rate or rates on the Bonds shall not exceed the legal maximum and the Underwriter's discount may not exceed one and one-tenth percent (1.1%) of total bond proceeds excluding costs of issuance and original issue discount, of the aggregate principal or issue amount of Bonds sold thereunder. The Superintendent, an Assistant Superintendent or designee thereof, is further authorized to determine the principal or issue amount of the Bonds to be specified in the Purchase Contract for sale by the District, up to an aggregate principal or issue amount of \$85,000,000, to modify redemption terms and to enter into and execute the Purchase Contract, if the conditions set forth in this Resolution are met.

If, it appears in the best interests of the District to acquire municipal bond insurance to secure the Bonds, the Superintendent or an Assistant Superintendent may so provide in the Purchase Contract or Official Statement.

**SECTION 14. Build America Bonds.** The District intends to elect to treat a portion of the Bonds (the "Direct Pay Build America Bonds") as "Build America Bonds" under Section 54AA of the Internal Revenue Code of 1986 (the "Tax Code"). In addition, the District intends to elect to treat the Direct Pay Build America Bonds as "Qualified Bonds" within the meaning of Section 54AA(g)(2) of the Tax Code such that the Direct Pay Build America Bonds will be eligible for direct payment by the federal government of a refundable credit equal to 35 percent (35%) of interest payable on the Direct Pay Build America Bonds (the "Refundable Credit Payment").

The District, in its sole discretion, may elect not to issue any of the Bonds as Direct Pay Build America Bonds and instead issue all of the Bonds as tax-exempt bonds.

**SECTION 15. Conditions Precedent.** This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law, that the full faith, credit and revenues of the District are pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 16. Approval of Actions.** District officials and staff, including the Superintendent or his designee, are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance and sale of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officials and staff are hereby ratified, confirmed and approved.

**SECTION 17. Furnishing of Clerk Certification.** The Clerk of the Board is hereby authorized to furnish at least two certified copies of this Resolution to Jones Hall, A Professional Law Corporation, Bond Counsel, at or prior to closing.

**SECTION 18. Effective Date.** This Resolution shall take effect immediately upon its passage.
