RESOLUTION NO. 35
Career and Technical Education Month
February 1 through February 28, 2010

WHEREAS, February 1 through February 28, 2010, has been designated Career and Technical Education Month by the Association for Career and Technical Education, and

WHEREAS, profound economic and technological changes in our society are rapidly reflected in the structure and nature of work, thereby placing new and additional responsibilities on our educational system, and

WHEREAS, career and technical education provides Americans with a school-to-careers connection and is the backbone of a strong, well-educated workforce, which fosters productivity in business and industry and contributes to America's leadership in the international marketplace; and

WHEREAS, career and technical education gives students experience in practical, meaningful applications of basic skills such as reading, writing and mathematics, thus improving the quality of their education, motivating potential dropouts and giving all students leadership opportunities in their fields and in their communities; and,

WHEREAS, career and technical education offers individuals lifelong opportunities to learn new skills, which provide them with career choices and potential satisfaction; and

WHEREAS, the ever-increasing cooperative efforts of career technical educators, business, and industry stimulate the growth and vitality of our local economy and that of the entire nation by preparing graduates for career fields forecast to experience the largest and fastest growth in the next decade,

NOW, THEREFORE, BE IT RESOLVED, that the Placentia-Yorba Linda Unified Board of Trustees does hereby support and designate February 1 through February 28, 2010, to be "Career and Technical Education Month".

The above and foregoing Resolution was duly and regularly adopted by said Board at a regular meeting thereof held on the 9th day of February 2010 and passed by a unanimous vote of said Board.

IN WITNESS WHEREOF, I have hereupon set my hand and seal this 9th day of February 2010.
