**RESOLUTION NO. 32
OF THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
MENTAL HEALTH SERVICES
FOR SPECIAL EDUCATION STUDENTS**

WHEREAS, State law has mandated that county mental health departments provide mental health services to special education students pursuant to Government Code section 7570 et seq. (AB 3632);

WHEREAS, Governor Schwarzenegger vetoed \$133 million in funds for past mental health claims for services provided under AB 3632 to special education students in previous fiscal years;

WHEREAS, the Governor did not veto an appropriation of \$76 million to be used exclusively to support mental health services that are provided during the 2010/2011 fiscal year by county mental health agencies pursuant to AB 3632;

WHEREAS, the Orange County Department of Education has received in excess of \$12 million on behalf of school districts and SELPAs in Orange County to support mental health services that are provided during the 2010/2011 fiscal year for county mental health agencies pursuant to AB 3632;

WHEREAS, on November 10, 2010 the Orange County Department of Education requested that the Orange County Health Care Agency fulfill its obligations under a Memorandum of Understanding (MOU) between the Orange County Department of Education and the Orange County Health Care Agency by providing mental health services through June 30, 2011;

WHEREAS, on November 12, 2010, the Orange County Health Care Agency responded by stating that the Orange County Health Care Agency will only provide AB 3632 services if school districts and SELPAs provide additional funding to the Orange County Health Care Agency beyond the funds received from the State and beyond what is required under the MOU;

WHEREAS, the potential additional costs to school districts in Orange County resulting from the actions in Orange County Health Care Agency could be as high as \$25 million to cover the cost of counseling and residential placement;

WHEREAS, the Placentia-Yorba Linda Unified School District believes that the Orange County Health Care Agency is still mandated to provide AB 3632 to special education students since the state appropriated over \$12 million to Orange County Health Care Agency for this purpose;

WHEREAS, it may be necessary for the Placentia-Yorba Linda Unified School District to file an interagency complaint against the Orange County Health Care Agency pursuant to Government Code section 7585;

WHEREAS, the Placentia-Yorba Linda Unified School District supports a lawsuit filed by the California School Boards Association to require county mental health departments to provide mental health services to special education students under AB 3632;

WHEREAS, it may be necessary for school districts in Orange County to file a lawsuit against the Orange County Health Care Agency, requiring the Orange County Health Care Agency to comply with the Memorandum of Understanding between the Orange County Department of Education and the Orange County Health Care Agency.

NOW THEREFORE, BE IT RESOLVED as follows:

1. The governing board of the Placentia-Yorba Linda Unified School District hereby authorizes the filing of a lawsuit against the Orange County Health Care Agency in the name of the School District should the district superintendent deem it to be necessary.

2. The governing board of the Placentia-Yorba Linda Unified School District hereby authorizes the district superintendent to work with the Orange County Department of Education and other school districts in Orange County and the Orange County Special Education Alliance in pursuing all legal remedies against the Orange County Health Care Agency.
