The exact aggregate principal amount of the Refunding Bonds to be issued hereunder shall be set forth in the Official Statement and the Purchase Contract.

SECTION 2.02. *Terms of Refunding Bonds.*

(a) Form; Numbering. The Refunding Bonds shall be issued in one or more series as fully registered bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of \$50,000,000. Refunding Bonds shall be lettered and numbered as the Paying Agent shall prescribe.

(b) Date of Refunding Bonds. The Refunding Bonds shall be dated the Closing Date. If the Refunding Bonds are issued in more than one series, each series of Refunding Bonds shall have its own dated date.

(c) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the Refunding Bonds, but such numbers shall not constitute a part of the contract evidenced by the Refunding Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Refunding Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Refunding Bonds shall not constitute an event of default or any violation of the District's contract with such Owners and shall not impair the effectiveness of any such notice.

(d) Maturities. The Refunding Bonds shall mature on August 1 in each of the years and in the respective amounts as set forth in the Purchase Contract.

(e) Interest. The Refunding Bonds shall bear interest at the respective rates of interest per annum (calculated on the basis of a year comprised of twelve (12) months of thirty (30) days each) as set forth in the Purchase Contract. The rates of interest on the Refunding Bonds shall comply with the savings requirements set forth in Section 1.04.

Each Refunding Bond shall bear interest from the Interest Payment Date next preceding the date of authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it shall bear interest from its dated date; *provided, however,* that if at the time of authentication of a Refunding Bond, interest is in default thereon, such Refunding Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(f) Payment. Interest on the Refunding Bonds (including the final interest payment upon maturity or redemption) is payable by check of the Paying Agent mailed to the Owner thereof at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Refunding Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Refunding Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Refunding Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Principal Office of the Paying Agent.

SECTION 2.03. *Redemption.*

(a) Optional Redemption. The Refunding Bonds shall be subject to redemption by the District at its option, if at all, from any source of legally available funds, on the dates and at the redemption prices as set forth in the Purchase Contract.

(b) Mandatory Sinking Fund Redemption. In the event and to the extent specified in the Purchase Contract, any maturity of Refunding Bonds shall be designated as "Term Bonds" and shall be subject to mandatory sinking fund redemption on September 1 in each of the years and in the respective principal amounts set forth in the Official Statement, at a redemption price equal to one hundred percent (100%) of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of such Term Bonds have been redeemed pursuant to the preceding subsection (a) of this Section, the aggregate principal amount of such Term Bonds to be redeemed in each year pursuant to this subsection (b) shall be reduced on a pro rata basis in integral multiples of \$5,000, as shall be designated pursuant to written notice filed by the District with the Paying Agent.

(c) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be mailed, by first class mail, postage prepaid, at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption, to (i) one or more of the Information Services, and (ii) to the respective Owners of any Refunding Bonds designated for redemption, at their addresses appearing on the Registration Books; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Refunding Bonds.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Refunding Bonds are to be called for redemption, shall designate the serial numbers of the Refunding Bonds to be redeemed by giving the individual number of each Refunding Bond or by stating that all Refunding Bonds between two stated numbers, both inclusive, or by stating that all of the Refunding Bonds of one or more maturities have been called for redemption, and shall require that such Refunding Bonds be then surrendered at the Principal Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Refunding Bonds will not accrue from and after the redemption date.

Upon surrender of Refunding Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Refunding Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Refunding Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption shall have been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Refunding Bonds so called for redemption shall have been duly provided, such Refunding Bonds so called shall cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date

specified in such notice. All Refunding Bonds redeemed pursuant to this Section 2.03 shall be canceled by the Paying Agent, and a certificate of cancellation shall be submitted by the Paying Agent to the District.

SECTION 2.04. *Form of Refunding Bonds.* The Refunding Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution or the Official Statement, as are set forth in Exhibit A attached hereto.

SECTION 2.05. *Execution of Refunding Bonds.* The Refunding Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Clerk of the Board. No Refunding Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on such Refunding Bond is signed by the Paying Agent as authenticating agent.

Only such Refunding Bonds as shall bear thereon a certificate of authentication and registration in the form set forth in Exhibit A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Refunding Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Refunding Bonds.* Any Refunding Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Refunding Bond for cancellation at the Principal Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Refunding Bond issued upon any transfer.

Whenever any Refunding Bond or Bonds shall be surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Refunding Bond or Bonds, for like aggregate principal amount. No transfers of Refunding Bonds shall be required to be made (a) fifteen (15) days prior to the date established by the Paying Agent for selection of Refunding Bonds for redemption or (b) with respect to a Refunding Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Refunding Bonds.* Refunding Bonds may be exchanged at the Principal Office of the Paying Agent for a like aggregate principal amount of Refunding Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Refunding Bond issued upon any exchange (except in the case of any exchange of temporary Refunding Bonds for definitive Refunding Bonds). No exchanges of Refunding Bonds shall be required to be made 15 days prior to the date established by the Paying Agent for selection of Refunding Bonds for redemption or (b) with respect to a Refunding Bond after such Refunding Bond has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Refunding Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Refunding Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, the Owner of all of the Refunding Bonds shall be DTC, and the Refunding Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Refunding Bonds shall be initially executed and delivered in the form of a single fully registered Refunding Bond for each maturity date of the Refunding Bonds in the full

aggregate principal amount of the Refunding Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Refunding Bonds registered in its name for all purposes of this Agreement, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Refunding Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Refunding Bonds. The District shall cause to be paid all principal and interest with respect to the Refunding Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Refunding Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Refunding Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Agreement shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Refunding Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Refunding Bonds. In such event, the District shall issue, transfer and exchange Refunding Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Refunding Bonds at any time by giving notice to the District and the District discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Refunding Bonds as described in this Agreement. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Refunding Bonds evidencing the Refunding Bonds to any Depository System Participant having Refunding Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Refunding Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Refunding Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Refunding Bond and all notices with respect to such Refunding Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Refunding Bonds.

SECTION 2.10. *Mutilated, Lost, Destroyed or Stolen Refunding Bonds.* If any Refunding Bond shall become mutilated, the District, at the expense of the Owner of said Refunding Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like maturity and principal amount in exchange and substitution for the Refunding Bond so mutilated, but only upon surrender to the Paying Agent of the Refunding Bond so mutilated. Every mutilated Refunding Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Refunding Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the District and, if such evidence be satisfactory to the District and indemnity satisfactory to it shall be given, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like maturity and principal amount in lieu of and in substitution for the Refunding Bond so lost, destroyed or stolen. The District may require payment of a sum not exceeding the actual cost of preparing each new Refunding Bond issued under this Section and of the expenses which may be incurred by the District and the Paying Agent in the premises. Any Refunding Bond issued under the provisions of this Section 2.10 in lieu of any Refunding Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Refunding Bond so alleged

to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Refunding Bonds issued pursuant to this Resolution.

Notwithstanding any other provision of this Section 2.10, in lieu of delivering a new Refunding Bond for which principal has or is about to become due for a Refunding Bond which has been mutilated, lost, destroyed or stolen, the Paying Agent may make payment of such Refunding Bond in accordance with its terms.

Amounts remaining on deposit in the Proceeds Account pursuant to Section 3.02(b), if any, shall be disbursed for the purpose of paying the Costs of Issuance upon the receipt by the Paying Agent of Written Requests of the District. The moneys in the Debt Service Fund shall be remitted to the Paying Agent to pay the principal of and interest on the Refunding Bonds as the same become due and payable.

If, after payment in full of the Refunding Bonds, any amounts remain on deposit in the Debt Service Fund, such amounts shall be transferred by the Treasurer and Tax Collector to the general fund of the District, upon the Written Request of the District filed with the Treasurer-Tax Collector, to be applied solely in a manner which is consistent with the requirements of applicable state and federal tax law.

SECTION 4.03. *Investments.* All moneys in the Proceeds Account shall be invested by the Paying Agent solely in investments pursuant to and as identified in the Written Request of the District given to the Paying Agent in advance of the making of such investments (and promptly confirmed in writing, as to any such direction given orally). Nothing herein contained shall prevent the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

SECTION 5.02. *Extension of Time for Payment.* In order to prevent any accumulation of claims for interest after maturity, the District will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Refunding Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the District, such claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Resolution, except subject to the prior payment in full of the principal of all of the Refunding Bonds then Outstanding and of all claims for interest which shall not have so extended or funded.

SECTION 5.03. *Security for the Refunding Bonds.* The Refunding Bonds are general obligations of the District, payable from the levy of *ad valorem* taxes upon all property within the District subject to taxation by the District, without limitation of rate or amount, for the payment of the Refunding Bonds and the interest and redemption premium, if any, thereon. The District hereby directs the County to levy on all the taxable property in the District, in addition to all other taxes, a continuing direct and *ad valorem* tax annually during the period the Refunding Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Refunding Bonds when due, including the principal of any Refunding Bonds upon the mandatory sinking fund redemption thereof pursuant to Section 2.03(b), which moneys when collected will be placed in the Debt Service Fund.

The principal of and interest and redemption premium (if any) on the Refunding Bonds shall not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof, and neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof shall be liable thereon.

SECTION 5.04. *Books and Accounts; Financial Statement.* The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries shall be made of all transactions relating to the Refunding Bonds. SECTION 5.05. *Protection of Security and Rights of Refunding Bond Owners.* The District will preserve and protect the security of the Refunding Bonds and the rights of the Refunding Bond Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Refunding Bonds by the District, the Refunding Bonds shall be incontestable by the District.

SECTION 5.06. *Tax Covenants.*

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Refunding Bonds are not used so as to cause the Refunding Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Refunding Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Refunding Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Refunding Bonds from the gross income of the Owners of the Refunding Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

SECTION 5.07. *Continuing Disclosure.* The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Refunding Bonds; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Refunding Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

SECTION 5.08. *Further Assurances.* The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Refunding Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

All fees and expenses incurred for services of the Paying Agent will be the sole responsibility of the District. The District will pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution and the County Resolution, and also all reasonable expenses,

charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and the County Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 6.02. *Paying Agent May Hold Refunding Bonds.* The Paying Agent may become the Owner of any of the Refunding Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Refunding Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Refunding Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent shall not be liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Agents.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be of counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all

reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VII

REMEDIES OF REFUNDING BOND OWNERS

SECTION 7.01. *Remedies of Refunding Bond Owners.* Any Owner shall have the right, for the equal benefit and protection of all Owners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Refunding Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Owners' rights; or

(c) upon the happening and continuation of any default by the District hereunder or under the Refunding Bonds, by suit, action or proceeding in any court of competent jurisdiction, to require the District and its members and employees to account as if it and they were the trustees of an express trust.

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Refunding Bonds shall be exclusive of any other remedy and that each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereafter conferred on the Owners.

ARTICLE VIII

AMENDMENT OF THIS RESOLUTION

SECTION 8.01. *Amendments Effective Without Consent of the Owners.* For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners of the Refunding Bonds, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To confirm, as further assurance, any pledge under, and to subject to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(c) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution, which in any event shall not materially adversely affect the interests of the Owners, in the opinion of Bond Counsel filed with the District;

(d) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Refunding Bonds; or

(e) In any respect whatsoever, provided that such Supplemental Resolution is adopted prior to the Closing Date and provided further that the matters contained in such Supplemental Resolution are properly reflected in the Official Statement relating to the Refunding Bonds.

SECTION 8.02. *Amendments Effective With Consent to the Owners.* Any modification or amendment of this Resolution and of the rights and obligations of the District and of the Owners of the Refunding Bonds, in any particular, may be made by a Supplemental Resolution, with the written consent of the Owners of a majority in aggregate principal amount of the Refunding Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of maturity of the principal of any Outstanding Refunding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or shall reduce the percentage of Refunding Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change any of the provisions in Section 7.01 relating to Events of Default, or shall reduce the amount of moneys pledged for the repayment of the Refunding Bonds without the consent of all the Owners of such Refunding Bonds, or shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, is intended to give to any person other than the District, the County, the Paying Agent and the Owners of the Refunding Bonds, any right, remedy, claim under or by reason of this Resolution. Any covenants, stipulations, promises or agreements in this Resolution contained by and on behalf of the District shall be for the sole and exclusive benefit of the County, the Paying Agent and the Owners of the Refunding Bonds.

SECTION 9.02. *Defeasance.*

(a) Discharge of Resolution. Refunding Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Refunding Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Refunding Bonds; or

(iii) by delivering such Refunding Bonds to the Paying Agent for cancellation by it.

If the District shall pay all Outstanding Refunding Bonds and shall also pay or cause to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Refunding Bonds shall not have been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it pursuant to this Resolution which are not required for the payment or redemption of Refunding Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Refunding Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Refunding Bond (whether upon or prior to its maturity or the redemption date of such Refunding Bond), provided that, if such Refunding Bond is to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, then all liability of the District in respect of such Refunding Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Refunding Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Refunding Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Refunding Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Refunding Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established pursuant to this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Refunding Bonds and all unpaid interest thereon to maturity, except that, in the case of Refunding Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Section 2.03 or provision satisfactory to the Paying Agent shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Refunding Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Refunding Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Refunding Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption

shall have been given as provided in Section 2.03 or provision satisfactory to the Paving Agent shall have been made for the giving of such notice.

(d) Payment of Refunding Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Refunding Bonds and remaining unclaimed for two (2) years after the principal of all of the Refunding Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two (2) years after the date of deposit of such moneys if deposited after said date when all of the Refunding Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Refunding Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Refunding Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

SECTION 9.03. *Execution of Documents and Proof of Ownership by Refunding Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Refunding Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Refunding Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Refunding Bond Owner or his or her attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Refunding Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Refunding Bond shall bind all future Owners of such Refunding Bond in respect of anything done or suffered to be done by the District, the Paying Agent or the District Treasurer in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Refunding Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Refunding Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its active negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Refunding Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Refunding Bonds which have been paid or canceled pursuant to the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Refunding Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Refunding Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Refunding Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief business official of the District in trust for the benefit of the Refunding Bond Owners.

SECTION 9.08. *Approval of Official Actions to Close Transaction.* The Superintendent, the Assistant Superintendent, Business Services, the Clerk of the Board and any and all other officers of the District are each alone authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Refunding Bonds. The Superintendent is authorized and directed to negotiate and enter a contract for professional services with Jones Hall, A Professional Law Corporation, as bond counsel and disclosure counsel and a contract with Fieldman, Rolapp & Associates as Financial Advisor. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in the case such officer shall be absent or unavailable

SECTION 9.09. *Effective Date of Resolution.* This Resolution shall take effect from and after the date of its passage and adoption.
