BOARD POLICYPlacentia-Yorba Linda Unified School District

Community Relations

1312.3 - BP

UNIFORM COMPLAINT PROCEDURES

The Board of Education recognizes that the District is primarily responsible for complying with applicable state and federal laws and regulations governing educational programs. The District shall investigate any complaint alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying and shall seek to resolve those complaints in accordance with the district's uniform complaint procedures.

Uniform complaint procedures shall also be used to address any complaint alleging the district's failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, and the development and adoption of the school safety plan. The following areas are also covered under the uniform complaint procedure:

- (cf. 0450 - Comprehensive Safety Plan)
- (cf. 1312.1 - Complaints Concerning District Employees)
- (cf. 1312.2 - Complaints Concerning Instructional Materials)
- (cf. 3553 - Free and Reduced Price Meals)
- (cf. 3555 - Nutrition Program Compliance)
- (cf. 5141.4 - Child Abuse Prevention and Reporting)
- (cf. 5148 - Child Care and Development)
- (cf. 6159 - Individualized Education Program)
- (cf. 6171 - Title I Programs)
- (cf. 6174 - Education for English Language Learners)
- (cf. 6175 - Migrant Education Program)
- (cf. 6178 - Career Technical Education)
- (cf. 6178.1 - Work-Based Learning)
- (cf. 6178.2 - Regional Occupational Center/Program)
- (cf. 6200 - Adult Education)

The district shall use the uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying against any protected group as identified with actual or perceived characteristics such as race or ethnicity, color ancestry, national origin, nationality, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sexual orientation, gender, gender identity or expression, or genetic information, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity conducted by the district or that is funded directly by, or that receives or benefits from any state financial assistance.

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff
3. Teacher vacancies and misassignments
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination

(cf. 1312.4 - Williams Uniform Complaint Procedures)
(cf. 6162.52 - High School Exit Examination)
(cf. 6179 - Supplemental Instruction)

Uniform complaint procedures shall be used to address any complaint alleging the district's non-compliance with Article 5.5 of Chapter 6 of Part 27 of Division 4 of Title 2 of the Education Code (commencing with Section 49010) regarding pupil fees.

Pursuant to Education Code section 52075, individuals may file a complaint under the district's Uniform Complaint Procedure alleging that the school district has not complied with the LCAP requirements in the Education Code.

If the complainant is not satisfied with the decision of the school district, the individual may appeal the decision to the State Superintendent of Public Instruction. The State Superintendent of Public Instruction is required to issue a decision on the appeal within 60 days of the Superintendent of Public Instruction's receipt of the appeal. If the school district finds merit in the complaint or the Superintendent of Public Instruction finds merit in an appeal, the school district will provide a remedy to all affected pupils, parents, and guardians.

The Board encourages the early informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis. The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint, the reporting of instances of discrimination, or for participation in complaint procedures. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Assistant Superintendent of Educational Services shall initiate that process and ensure that the results are consistent with state and federal laws and regulations.

The Superintendent or designee shall ensure the employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

In compliance with state law, when 15% or more of the students in the district speak a single primary language other than English, notification regarding Uniform Complaint Procedures shall also be provided in that language.
