STUDENT BOARD REPORT

SUPERINTENDENT'S REPORT

- Superintendent Domene reported to the Board that our "Prize Patrol" went to school sites today and presented our annual Employees of the Year honors. This year's recipients are Jennifer Luchesi, Ricky Castro, Rey Lejano, Michelle DeHaven, Martha Mann, Maria Alvarado, Fred Fonseca, Martha Suarez and Dave Flynn.
- Principal for a Day will take place next Wednesday, March 16, during the morning, and will culminate with a lunch at the district office.
- At the 17th annual Holocaust Art and Writing Contest at Chapman University last week, the district was well-represented with six finalists, including two first place finishes and two second place finishes. We are the only district in the nation to have all of our secondary schools participate, which earned us a special keepsake pewter dish from Chapman University.
- The Placentia-Yorba Linda Unified School District received a plaque for Yorba Linda Middle School's recent designation as a "School to Watch" in Sacramento.
- Esperanza Junior Bronson Osborn made a massive throw of 70 feet in the shot put. By doing this, he broke the all-time Orange County record. He becomes just the 24th thrower in national history to reach the 70-foot plateau, and only the fourth Californian, ever.
- Former El Dorado coach Wayne Carlson was inducted into the Southern California Interscholastic Basketball Coaches Association Hall of Fame. Coach Carlson spent 18 years as El Dorado's girls basketball coach where he compiled a 360-158 record. He reached the playoffs all 18 years, including two trips to the championship game in both 2014 and 2015.
- Unfortunately, the Yorba Linda girls soccer team lost their CIF-SS playoffs match against South Hills last week; however, Yorba Linda's season continues in the Southern California Regionals, which start this week.
- The R.E.A.C.H. Foundation had a very busy month with their PYLUSD Gala 2016 benefiting fine and performing arts, the Middle School Track Meet, and the ShamRock 'n Run 5K/2K run/walk. I would like to thank all the dedicated R.E.A.C.H. volunteers for their tireless efforts supporting programs in our district.
- Mr. Cary Johnson presented an update on "College and Career Readiness" in our district, including what PYLUSD is doing to get our students ready for the future.

Mrs. Karin Freeman highlighted Morse's kick-off assembly for the Team Kids Challenge.

President Judi Carmona attended the Middle School Track Meet, was a guest reader at Travis Ranch during Read Across America Day, attended the Holocaust Art and Writing Contest, and called attention to the upcoming robotics competition at Valencia.

BOARD POLICY

Placentia-Yorba Linda Unified School District

Philosophy/Goals/General Objectives

0200 - BP

DISTRICT GOALS

As part of the Governing Board’s responsibility to set direction for the school district, the Board shall adopt long-term goals focused on the achievement of all district students. The district’s goals shall be aligned with the district’s vision, mission, philosophy, and priorities.

In developing goals and identifying strategies to achieve those goals, the Board and Superintendent shall solicit input and review from key stakeholders. The Board shall also review and consider quantitative and/or qualitative data, including data disaggregated by student subgroup and school site, to ensure that district goals are aligned with student needs.

Goals shall be established for all students and each numerically significant subgroup as defined in Education Code 52052, which may include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth and homeless students, and shall address each of the state priorities identified in Education Code 52060 and any additional local priorities established by the Board. These goals shall be incorporated into the district’s local control and accountability plan (LCAP).

The LCAP shall include a clear description of each goal, one or more of the state or local priorities addressed by the goal, any student subgroup(s) or school site(s) to which the goal is applicable, and expected progress toward meeting the goal for the term of the LCAP and in each year. (5 CCR 15497)

Each year the district’s update to the LCAP shall review progress toward the goals and describe any changes to the goals.

In addition to the goals identified in the LCAP, and consistent with those goals, the district and each school site may establish goals for inclusion in another district or school plan or for any other purpose. Such goals may address the improvement of governance, leadership, fiscal integrity, facilities, community involvement and collaboration, student wellness and other conditions of children, and/or any other areas of district or school operations. As appropriate, each goal shall include benchmarks or short-term objectives that can be used to determine progress toward meeting the goal.
