**BOARD REPORT**

Mrs. Judi Carmona shared her extraordinary experience of taking part in the TOPsoccer “Christmas in July” event held at Sierra Vista. Many special needs children and young adults had the opportunity to participate and several student-volunteers from our District helped by pushing a wheelchair, taking a hand or showing them how to kick a ball. She was grateful to be part of this event and thanked all the people that made it possible.

Mrs. Carrie Buck reported that she has taken some time to drive around the different school sites and is impressed with how good the facilities and grounds look. She also mentioned that she enjoyed the first school year with our new superintendent, Dr. Plutko, and is looking forward to next year.

Mrs. Carol Downey seconded Mrs. Buck’s remark and had nothing further to report.

Mrs. Karin Freeman mentioned that she had the opportunity to visit with our previous Student Board Representative Elizabeth Yin and asked her about her experience as our District Student Board Representative. Ms. Yin enjoyed the experience and suggested that the Board members engage the student representative by asking for their perspective even though they cannot vote. Mrs. Freeman felt this is something the Board members can work toward with the new Student Board Representative.

**PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT**

July 11, 2017

**RESOLUTION NO. 4**

**RESOLUTION OF INTENT TO INITIATE THE PROCESS OF ESTABLISHING TRUSTEE AREAS AND ELECTIONS BY-TRUSTEE AREAS**

WHEREAS, the Placentia-Yorba Linda Unified School District (“District”) does not have trustee areas for the members of its Board of Education (“Board”), and the District currently utilizes an “at-large” method of election to select Board members; and

WHEREAS, the Board is aware that under state law an at-large method of election may be subject to challenge under the California Voting Rights Act of 2001 (“CVRA”), California Elections Code § 14025, et seq.; and

WHEREAS, the Board, based on this awareness, has had an ongoing interest in ensuring compliance with the CVRA or, at minimum, avoiding the potential for costly litigation under the CVRA; and

WHEREAS, by-trustee area electoral systems are not vulnerable to challenge under the CVRA; and

WHEREAS, in a by-trustee area system of election, candidates for the Board must reside within a trustee area, and candidates are elected only by the voters of that trustee area; and

WHEREAS, given the potential financial and other consequences of a legal challenge under the CVRA to the District’s current election system, the Board considers it prudent to initiate the process to transition to a by-trustee area system of election; and

WHEREAS, transitioning to use of trustee areas and changing the election method is a time-consuming process, which provides for public input and the involvement of the County Committee on School District Organization, rendering it challenging to complete a transition in time for the November 2018 election; and

WHEREAS, with an understanding of the challenges inherent in completing the transition, the Board intends to complete the process of transitioning to trustee areas, and election of Board members by trustee area, commencing with the November 2018 election.

NOW, THERE, BE IT RESOLVED that the Board hereby finds the foregoing recitals to be true and correct; and

BE IT FURTHER RESOLVED that the Board directs the Superintendent or his designee to immediately initiate the legal and regulatory process to establish trustee areas within the District, as provided in Education Code Section 5019, in sufficient time for trustee areas to be established for the November 2018 election of members of the Board; and

BE IT FURTHER RESOLVED that the Board directs the Superintendent or his designee to immediately initiate the legal and regulatory process of changing the method of electing members of the Board, from the current at-large system whereby each member of the Board is elected by the registered voters of the entire District (Education Code Section 5030(a)), to a method which provides that Board members residing in each trustee area will be elected by the registered voters of that particular trustee area (Education Code 5030(b)), in sufficient time for the new method of electing members of the Board to be in place for the November 2018 election; and

BE IT FURTHER AND FINALLY RESOLVED that the Superintendent or his designee is authorized and directed to initiate the legal and regulatory process to seek a waiver, from the State Board of Education, of the requirements of Education Code Section 5020 and related statutes, so that action of the County Committee on School District Organization establishing trustee election areas and adopting one of the alternative methods of electing Board members specified in Education Code Section 5030 does not constitute an order of election.
