## **STUDENT BOARD REPORT**

Student Board Member Caelyn Smith provided a report of the activities and events occurring at the district's high schools.

The Board recognized Caelyn for her tenure on the Board of Education as the Student Board Member.

## **SUPERINTENDENT'S REPORT**

As this is Student Board Member Caelyn Smith's last Board meeting, Dr. Plutko thanked her for her time with us and congratulated her for embarking on this new journey with us where student board members now have a preferential vote. The Board and Dr. Plutko appreciated Caelyn's efforts to stay connected with the other high schools. She did a wonderful job, is an outstanding leader, and mature well beyond her years. We hope she will keep in touch.

Superintendent Plutko highlighted that all four of our comprehensive high school ASBs came together for a leadership day spent hearing from guest speakers. They shared the day together as a group with the mantra of "leading with kindness." Superintendent Plutko thanked and congratulated the ASB Advisors for planning such an inspiring day.

Dr. Plutko also gave a pre-thank you to all of the Maintenance and Facilities classified staff who have a small window over the winter break to get into classrooms to complete certain projects during this short time. Our Transportation Department will be conducting bus maintenance as well, so we are ready when the students come back.

Superintendent Plutko invited Director of Assessment and Accountability Dr. Linda Adamson to talk about the new version of the California dashboard including the way the dashboard information is displayed, summary of PYLUSD overall results, and standings of state and local indicators. In addition, Deputy Superintendent Mrs. Plahy elaborated on the two areas of absenteeism and suspension, indicating our focus on these students and what we can do to support them.

A bright spot in the district today was the graduation of nine Venture Academy students. Venture Academy is an adult transition program for special education students who are taught daily living skills, including cooking and health care for future life. The graduation was emotional and heartwarming seeing these dedicated families supporting their students. The families wanted to thank our Board of Trustees for their support of the adult transition program and their students.

**COMMUNICATIONS**

Flyer regarding the SR-91 Improvement Project Public Hearing - Trustee Freeman requested an update on this project.

**BOARD REPORT**

Mrs. Karin Freeman shared that she went to the retirement reception for Fullerton Joint Union High School District Board Trustees Bob Singer and Bob Hathaway. Last Thursday, she went to AppJam+ at Yorba Linda High School and commended Educational Services Director Mr. Cary Johnson for his leadership in this area. At the CSBA Conference this year, our district had the opportunity for a bit of the spotlight when Dr. Nancy Watkins, Carrie Buck, and she presented on Women in Industry and what we have been doing in our district regarding careers for women. In addition, she attended the Yorba Linda High School 10-year birthday celebration, Valencia High School’s Future Ready Day, as well as Venture Academy’s graduation. An El Dorado High School Club hosted a garage sale called “backpack solutions,” which fits with the theme “leading with kindness.” The funds raised go toward sending school supplies to students in Mexico. Mrs. Freeman said she is grateful for the opportunity to continue serving students and being in the company of wonderful individuals throughout the district and the community in her position as trustee.

Mrs. Judi Carmona was excited to attend the district choral concert and hear the choirs from our four comprehensive high schools perform in a holiday concert. Mrs. Carmona connected with a church community member in Placentia who is collecting new and used jackets and coats for donation to *Charities Closet*. Mrs. Carmona will take these items to Melrose and Topaz where they will be available free to those families during the Second Harvest food distribution. Mrs. Carmona was happy to attend the 10-year birthday of Yorba Linda High School and celebrate the wonderful things the school has accomplished. She attended the Venture Academy graduation, which is a touching time for her as a former special education teacher. Next week, she will be delivering some nice clothing for Melrose families to choose from at the Second Harvest Food Distribution. Lastly, she gave a big shout out to Special Education Director Mrs. Rene Gray for the fabulous report she compiled for the Board on the special education program.

**BOARD REPORT (Continued)**

Mr. Eric Padget mentioned that he was interested in a vendor at the CSBA conference whose product revolves around the safety and wellness of students. He asked if district staff could find out more about the vendor and bring back information to the Board. He wished everyone a happy holiday.

Mrs. Carol Downey reported that she, too, enjoyed the CSBA Conference and the presentation that our staff and Board members gave on Women in Industry. Last week, she attended *OC Register's* presentation of top workplaces where Placentia-Yorba Linda Unified School District was honored as one of the best places to work in Orange County. Mrs. Downey stated that the reason is the hard work and caring of our Board, staff, and community who make our district what it is, and she thanked everyone. In addition, she was honored to go to a City Council Meeting and see Rhonda Shader selected as the new mayor of Placentia. Finally, she thanked the Board for their support during her tenure as president.

Mrs. Carrie Buck shared that she was going to El Camino to tour the campus and see all the great things they are doing. She was able to see a couple of El Dorado choirs, one at Rotary. The EDHS Choir also performed at Disneyland's *Candlelight*, which is a very big deal. Mrs. Buck also attended Career Day at Valencia High School where the seniors were able to complete college applications while the other students attended presentations to learn about career possibilities. Mrs. Buck highlighted the El Dorado *Wishes*, which felt like Name Face Story to her. Students turn in a wish, and then ASB tries to see what they can do to fulfill the wishes without using any money. She had an amazing visit at Valadez and brought back t-shirts for the Board members. While at Valadez, she had the opportunity to visit the library where, through a grant, Valadez receives all of the extras from JoAnn's Fabrics. The students get to go to the library with their tickets and go shopping to get brand new items from JoAnn's. Another thing she saw while she was there related to Name Face Story and suspensions as Valadez Principal Cuco Gracian talked to parents about suspension rates, and why they have significantly declined over the past couple of years. Mrs. Buck thanked the community for allowing her to serve another four years and continue to impact students.

## Placentia-Yorba Linda Unified School District

Instruction

6163.2 - BP

**ANIMALS AT SCHOOL**

The Governing Board recognizes that animals can contribute to the District's instructional program by being effective teaching aids to students for assemblies, instructional programs, or classroom presentations. Service animals may also assist individuals with disabilities to access District programs and activities. In addition, instruction related to the care and treatment of animals teaches students a sense of responsibility and promotes the humane treatment of living creatures.

The Superintendent or designee shall develop rules and procedures to ensure that when animals are brought to school, the health and welfare of students, staff, and the animals are protected. However, the District assumes no liability for the safety of animals allowed on District property.

Individuals with disabilities may be accompanied by specially trained guide dogs, signal dogs, or service animals on school premises or on school transportation. The Superintendent or designee shall develop an accompanying administrative regulation for language reflecting this right.

A service animal is any guide dog, signal dog or other animal individually trained to do work or perform tasks for the benefit of an individual with a disability, including but not limited to guiding individuals with impaired vision, alerting individuals with impaired hearing, providing minimal rescue or protection work, pulling a wheelchair or fetching dropped items. The service the animal is providing must be one it has been individually trained to perform, and directly related to the functional limitation of the person's disability. Service animals are working animals, not pets.

The provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of the definition of a service animal. Therapy, emotional support, or companion animals are not service animals, and therefore, are not permitted to accompany individuals on school campus or on school transportation.

The only time animals are allowed on school grounds is when they are being used for educational or service purposes.
