PUBLIC COMMENT

CSEA Union President Job Suarez presented the Board of Education with a plaque in recognition of the district’s participation in CSEA’s Appreciating Classified Employee (ACE) Program.

Neel Schmitt addressed the Board of Education with information regarding Veterans’ Day 2018 as well as community emergency response team training.

SUPERINTENDENT’S REPORT

- Superintendent Plutko stated that it is evident we are full speed ahead to the start of school with the beginning of student registrations. District managers were welcomed back with a productive Leadership Symposium on Thursday. Dr. Plutko thanked Maintenance and Facilities Executive Director Rick Guaderrama for the great work his team has done during the summer. He also thanked Technology Director Jeremy Powell and his team for their proactive efforts to ensure the student information system and registrations are ready to go.
- Dr. Plutko shared that the Board has given clear direction on the importance of wellness. He invited Director of Innovation and Technology Cary Johnson to speak on where we are with return to learn and concussion protocols, the ability to pretest our athletes, and the importance of having a baseline test. At the conclusion of the presentation, the superintendent commented that the work that Mr. Johnson and Executive Director of Instructional Support Mr. McAlindin have done on this topic is greatly appreciated.

SUPERINTENDENT'S REPORT (Continued)

- Lastly, one item that is a part of the landscape in K-12 districts in south Orange County is the California Healthy Youth Act, which addresses the process of sex education for our students. Dr. Plutko advised there is a great amount of misinformation being shared through social media and the Internet around what schools will be or will not be doing with this. Legislation was implemented in 2016, so we have already been in the process of working with this. The concern seems to be the choice of curriculum being used. We are preparing a letter that will be going to all of our parents. Our most important part of this is to make sure that the information we get out to our community is accurate. In our district, the education on this subject is done in seventh and ninth grade through health and/or physical education classes, and that is, at this point, not changing for us. The adoption of new materials is not until 2021. We will reach out heavily to our stakeholders to make sure they have input and real opportunities to view materials. In the interim, they need to know that we are not doing anything different. The letter will be part one of the process and part two will be a formal presentation to the Board at our September meeting. With all of that out there, we are paying close attention and are also being proactive as well.

BOARD REPORT

Mrs. Karin Freeman attended the back-to-school inservice for ROP on August 2, entitled “The Magic of ROP.” Of greatest importance was that the keynote speaker was Esperanza graduate, Emily Carr, who was part of the medical academy at EHS. She was an amazing speaker and Mrs. Freeman shared a copy of Emily’s remarks on her perspective of her high school experience and value of her technical education. She mentioned that last week, the district had its management symposium with three very worthwhile speakers, including our superintendent, who were thought provoking and came through with important messages. She heard that there was concern as to how well the numbers will come forth in the upcoming census. She will share more on that as it is available.

Mrs. Judi Carmona stated she had the opportunity to visit two summer school enrichment programs and was impressed by the engagement of the students and teachers who made it such a wonderful experience. The students were learning during the summer and enjoying it thoroughly. Mrs. Carmona commended those that supported the program including the AVID students who participated and even taught lessons. Mrs. Carmona commented that she enjoyed the inspirational speeches at the Leadership Symposium and highlighted that Dr. Plutko’s speech made a big impact on her.

Mr. Eric Padget remarked that the summer goes by fast, and he is looking forward to the new school year. He is appreciative for the good work everyone is doing.

Mrs. Carrie Buck shared that the schools are looking good and thanked Mr. Rick Guaderrama for the hard work of his team. She reported that no one is going to run against her or Mrs. Karin Freeman in the November election and thanked CSEA and APLE for their support. Mrs. Buck was planning to go to registration with her children tomorrow – a sure sign that school is about to begin.

Mrs. Carol Downey seconded Trustee Carmona’s remark about the Leadership Symposium being inspirational. She is excited for the school year to begin.

ADMISSION

Age of Admission to Kindergarten

Initial admission to kindergarten shall be determined solely on the basis of chronological age as outlined in the Education Code. As amended by the Kindergarten Readiness Act of 2010, children are eligible for kindergarten enrollment if their fifth birthday is on or before September 1.

Age of Admission to Transitional Kindergarten (Preppy K)

The district's Transitional Kindergarten (Preppy K) program shall admit children whose fifth birthday is on or after September 2 through December 2. Children admitted to Transitional Kindergarten (Preppy K) are required to be toilet trained, unless the child has a disability documented in an Individualized Education Plan (IEP).

Age of Admission to Expanded Transitional Kindergarten (Preppy K)

As amended by Education Code 48000 (c)(3)(B), children are eligible to enroll in Expanded Transitional Kindergarten (Preppy K) classes on a space-available basis. The amendment allows districts the option of admitting any child who will have his/her fifth birthday after December 2 but during that same school year. Placentia-Yorba Linda Unified School District will accept children in Expanded Transitional Kindergarten (Preppy K) who turn five on or after December 3 through March 31 based on space availability. Children who enter as Expanded Transitional Kindergarteners may attend from the beginning of the school year and will generate ADA when they attain the age of five. Children admitted to Expanded Transitional Kindergarten (Preppy K) are required to be toilet trained, unless the child has a disability documented in an Individualized Education Plan (IEP).

Other Admissions

Admission of children to other grades shall involve a consideration of both chronological age and the readiness of the children to do the work required at each grade level.
