**SUPERINTENDENT'S REPORT**

- Superintendent Greg Plutko commented how quickly the summer is moving, and we have a lot of work being done across our campuses, including painting, flooring, fencing, as well as updating our technology infrastructure and even implementing our new front office system for the safety and wellness of our students.
- Dr. Plutko shared that Technology Director Jeremy Powell indicated that the cabling for the camera systems at our four comprehensive high schools should be done in about a week. The next step will be the installation and, combined with fencing work, we continue to be proud of the safety and wellness opportunities we are providing all our schools.
- Continuing on the safety and wellness topic, on agenda for consideration of the Board is an action item with a company by the name of ImpACT Applications, which provides “return to learn” protocols with baseline concussion testing for our student-athletes. This allows us to set a benchmark for wellness so that if there is an injury to them later, a baseline test will be available for comparison. This connects to the Wellness Committee work led by Deputy Superintendent Candy Plahy. We received a nice compliment for Director of Special Education Renee Gray, Mrs. Plahy, and their teams as we are considering Registered Behavior Technicians (RBTs) at the elementary level to help with some of the unique behaviors we are finding. Dr. Plutko thanked and congratulated our team for this leading-edge work.
- As you are aware, we have a partnership through a funding grant with the City of Anaheim to install a solar parking structure at Esperanza High School. We are full-speed ahead and on target to be done by the time school begins.

**BOARD REPORT**

Mrs. Karin Freeman shared that the Irvine Unified School District went through the process to change to election by trustee area, which is now official in their district.

Mrs. Judi Carmona reported that Sandy Castillo, who is an incredible woman, heads JUSA TOPSoccer, a soccer organization for kids with special needs. Mrs. Carmona attended their *Christmas in July* celebration with different fun activities for all the students. She also gave a shout out to our Special Education Department for the remarkable help they provided in support of this wonderful group. Mrs. Carmona visited Golden to see their impressive summer enrichment program. The young people were excited about the variety of classes offered, and they were clearly having a good time. Finally, she looks forward to going to Melrose to see the special program they have there. She expressed how happy she was that we give opportunities to our young people to have fun learning during the summer.

Mr. Eric Padget wished everyone a wonderful summer. He requested that staff look into putting school badging on two school stadiums, possibly logo banners from each of the high schools. He felt this would give ownership to any of our teams playing at those two stadiums. Dr. Plutko mentioned that our district print shop has the ability to do those markers and badges at a minimal cost.

Mrs. Carrie Buck thanked Nutrition Services for the signage on Valencia High School advertising that lunch is available for all kids under the age of 18 during the summer. She mentioned it is a huge amount of work and appreciated that the kids have something healthy and nutritious to eat.

Mrs. Carol Downey wished everyone a happy summer.

**STUDENT IMMIGRATION STATUS**

The Governing Board is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law.

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in the District's programs and activities on the basis of his/her immigration status.

The Superintendent or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement.

Consistent with requirements of the California Office of the Attorney General, the Superintendent or designee shall develop procedures for addressing any requests by a law enforcement officer for access to district records, school sites, or students for the purpose of immigration enforcement.

The Superintendent or designee shall report to the Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws.
