STUDENT BOARD REPORT

Student Board Member Nathan Brown provided a report of the activities and events occurring at the district's high schools.

SUPERINTENDENT'S REPORT

Superintendent Greg Plutko opened his report by thanking Student Board Member Nathan Brown for calling attention to the two skillsets of courage and confidence necessary for students as they grow.

As we complete our second month of our pilot full-day kindergarten classes, our pilot teachers will come together for the first time to collaborate on what they have learned and what we need to know to support the process. As with any new program, we will look very carefully at any fiscal impact.

Dr. Plutko invited Executive Director Richard McAlindin to update the Board on our continuing work on safety and wellness. Mr. McAlindin presented on the district's continual review of safety protocols including school fencing and approved lighting, emergency preparation procedures, and bullying prevention to further our goal of providing a safe environment for all of our students.

Following the Superintendent's report, we will hear about our assessment data and state indicators. We are very proud of the information presented and of our student achievement.

Superintendent Plutko asked staff to play a video of Congressman Gil Cisneros speaking on the Assembly Floor in Washington, D.C. and congratulating Placentia-Yorba Linda USD for being included in the prestigious Ninth Annual AP District Honor Roll.

Lastly, Dr. Plutko mentioned a moment he observed during a site visit at Venture Academy and George Key schools that he felt exemplifies the type of district we are and the type of work that is being done on behalf of all students. He complimented Principal Kelli McFedries for all of her support and leadership.

STAFF PRESENTATION

- Deputy Superintendent Candy Plahy presented the Placentia-Yorba Linda Unified School District's five local indicators. SEARCH AND SEIZURE

The Board of Education recognizes that situations may exist which require the search of students, their property, and/or facilities of the school which are assigned for the use of students, such as lockers, storage cabinets, project drawers, etc. Such searches may be conducted by school officials when reasonable suspicion exists that illegal, dangerous, and/or prohibited objects may be present on school property or at school activities off of school grounds or when some other violation of law, district policy, or school rules and regulations is imminent or has occurred. Searches of persons shall be limited as prescribed by law.

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to detect and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff individual students or other persons and may not sniff any personal items on their person.

Illegal, dangerous, and/or prohibited objects may be seized by school officials and may be placed in the custody of appropriate law enforcement personnel as soon as possible after seizure. Any seized objects found not to be illegal shall be returned to the individual after school hours or to the parent/guardian.
