## **STUDENT BOARD REPORT**

Student Board Member Sophia Oh provided a report of the activities and events occurring at the district's high schools.

## **SUPERINTENDENT'S REPORT**

Superintendent Greg Plutko opened his report by thanking Public Speaker Mr. Gaffney for his story and thoughtful words regarding veterans that we can take back to our students, families, and community.

As most are aware, a tragedy occurred in our community when a plane crashed in Yorba Linda near Glenknoll Elementary. As a result, the OC Sheriff's Department, OC Fire Authority, and NTSB used Glenknoll as a command post. Dr. Plutko and the Board were proud of the level of communication and collaboration of district staff including Glenknoll Principal David Cammarato. He offered that our thoughts and prayers were with the Glenknoll community.

Dr. Plutko shared that OC District Attorney Todd Spitzer allocated grant money for active shooter training. Executive Director of Instructional Support Mr. Richard McAlindin and his team will be going to see the training at another district. We are currently teamed with OC Sheriff's, Placentia PD, and Anaheim PD on school safety, including active shooter training.

Superintendent Plutko thanked everyone for their work on the Local Control and Accountability Plan (LCAP) and for reaching out to staff, students, district groups, and our community for input through town hall meetings. The district also held information meetings on the California Healthy Youth Act (CHYA) curriculum. These meetings were well attended and show the commitment of our community.

Dr. Plutko was pleased to announce that the Orange County Department of Education selected Yorba Linda High School counselor Mrs. Lorri Walls for the 2019 Orange County K-12 School Counselor Recognition Award. We look forward to celebrating her achievement at a Board meeting after the County's awards celebration on February 13, 2019.

Our strategic plan writing team has been working hard on the process of revising the district's strategic plan and will soon have a draft that will go back to the main committee for review. We are hoping to have the finished product available to the Board at our March meeting for final approval.
