STUDENT BOARD REPORT

Student Board Member Sophia Oh provided a report of the activities and events occurring at the district's high schools.

SUPERINTENDENT'S REPORT

Superintendent Greg Plutko opened his report by welcoming new Student Board Member Sophia Oh and thanked her for her student board report.

Dr. Plutko congratulated El Camino ROP teacher, Reid Peterson, who was presented the ROP Teacher of the Year award. It was a nice honor for him and well deserved. Our district has a long and positive partnership with North Orange County ROP, and it is nice to have Mr. Peterson represent El Camino Real High School.

Dr. Plutko reported that our newly-elected Governor, Gavin Newsom, released his first Proposed Budget. It is different from the past, but a good, solid budget for schools. Two K-12 Education adjustments included 1) increasing the COLA amount and 2) proposing payment to the CalSTRS account at the state level for the 19-20 and 20-21 school years.

Superintendent Plutko was proud to share that our district was recognized for a second year in a row for the College Board's Annual Advanced Placement Honor Roll.

Lastly, Dr. Plutko wanted to recognize district teams that did an exceptional job of reaching out to families in need over the holidays, including APLE's adopt a family and CSEA's sock tree. Many PYLUSD schools held clothing and canned food drives.

STAFF PRESENTATION

- 2017-18 Annual Financial Report - Each year the District is required to have an annual audit performed by an independent audit firm, and the report must be presented to the Board of Education by January 31 for the preceding fiscal year. Mrs. Shilo Gorospe, Partner, with the audit firm, Vavrinek, Trine, Day & Company (VTD), shared the results of the audit with the Board.

COMMUNICATIONS AND BOARD REPORT

Mrs. Karin Freeman shared that it was wonderful see how surprised El Camino ROP teacher Reid Peterson was to win the North Orange County ROP Teacher of the Year award. She also wanted to say that she enjoyed being a guest at the Mustang Business Academy at YLHS where lunch was prepared by the culinary arts class. She attended the George Key Winter Show and Family Day as well as the District Holiday Luncheon, and she is looking forward to learning more about the Excellence in Placentia Gala and possibly attending.

Mrs. Judi Carmona reported that in December she provided several bags of gently used clothing, free of charge to families in need, during the Second Harvest food distribution at Melrose. Next week, she will be doing the same at Topaz. Mrs. Carmona attended a kindergarten winter performance at Travis that included holiday and patriotic songs. She was delighted to be part of the District’s Strategic Planning Session and is confident that the document that is forthcoming will be very special and something to be proud of. She reminded everyone to vote for the Excellence in Placentia nominees and was happy to vote for the Placentia Women’s Round Table, where she is a member.

Mr. Eric Padget welcomed our new Student Board Member Sophia and wished everyone a Happy New Year. He gave a shout-out to staff for putting together both the special education and dual language reports. They were well done and concise. He also gave a shout-out to Tuffree music teacher, Jim Hahn, for all he does for the District and beyond.

Mrs. Carrie Buck thanked staff for the opportunity to provide input and direction for our strategic plan. Mrs. Buck attended *Tinsel* at El Dorado and looks forward to going to the Governor’s Budget Workshop as well. Lastly, she encouraged people to see the musical, *Dear Evan Hansen*, as it resonates what happens in high schools and families, and what kids have to cope with.

**BEFORE THE BOARD OF EDUCATION
OF THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
ORANGE COUNTY, CALIFORNIA**

RESOLUTION NO. 17

**RESOLUTION MAKING FINDINGS ON ENERGY SAVINGS
AND DETERMINING OTHER MATTERS IN CONNECTION WITH
ENERGY EFFICIENCY PROJECT**

WHEREAS, it is the policy of the State of California and the intent of the State Legislature to promote all feasible means of energy conservation and all feasible uses of alternative energy supply sources; and

WHEREAS, Placentia-Yorba Linda Unified School District ("District") desires to reduce the steadily rising costs of meeting the energy needs at its facilities; and

WHEREAS, TerraVerde Renewable Partners, LLC ("TerraVerde"), has provided the District with analysis showing the benefits of implementing certain energy conservation measures, and TerraVerde's analysis ("Analysis") is attached hereto as Exhibit A and made part hereof by this reference; and

WHEREAS, the District proposes to enter into an energy services agreement and related contract documents ("Energy Efficiency Agreement") with **Couts Heating and Cooling, Inc.** ("Contractor"), pursuant to which Contractor will install and implement on District property certain energy saving improvements, including upgrades and modifications to HVAC systems and other energy conservation and efficiency measures, which will result in greater energy efficiency and cost savings for the District sites on which such improvements and measures are located ("Project"); and

WHEREAS, the sites where such energy saving improvements will be located are: Bernardo Yorba Middle School; and

WHEREAS, the Analysis includes data showing that the anticipated cost to the District for the conservation services provided by the Project will be less than the anticipated marginal cost to the District of electrical energy that would have been consumed by the District in the absence of those purchases; and

WHEREAS, the Board of Education ("Board") proposes to enter into the Energy Efficiency Agreement substantially in the form presented at this meeting, subject to such changes, insertions, or omissions as the Superintendent or other designee reasonably deems necessary following the Board's adoption of this Resolution; and

WHEREAS, pursuant to Government Code Section 4217.12, the Board has held a public hearing, public notice of which was given at least two weeks in advance, to receive public comment; and

WHEREAS, the District's proposed approval of the Energy Efficiency Agreement is a project for purposes of the California Environmental Quality Act ("CEQA"); and

WHEREAS, the Guidelines for CEQA, California Code of Regulations Title 14, Chapter 13 ("State CEQA Guidelines"), exempt certain projects from further CEQA evaluation, including the following: (1) projects consisting of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing use ("Class 1 Exemption; Cal. Code Regs., Tit. 14, § 15301); (2) projects consisting of replacement or reconstruction of existing

structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced (“Class 2 Exemption”; Cal. Code Regs., Tit. 14, § 15302); (3) projects consisting of the new construction or conversion of small structures (“Class 3 Exemption”; Cal. Code Regs., Tit. 14, § 15303); (4) projects consisting of the construction or placement of minor accessory structures to existing facilities (“Class 11 Exemption”; Cal. Code Regs., Tit. 14, § 15311); and (5) projects consisting of minor additions to existing schools (“Class 14 Exemption”; Cal. Code Regs., Tit. 14, § 15314), and the Project is categorically exempt under one or more of such exemptions; and

WHEREAS, the Project does not involve any of the following and so is eligible for a categorical exemption as described above under State CEQA Guidelines Section 15300.2:

- (a) the cumulative impact of successive projects of the same type in the same place, which over time are significant;
- (b) an activity where there is a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances;
- (c) a project which may result in damage to scenic resources, including but not limited to, trees, historic buildings, rock outcroppings, or similar resources, within a highway officially designated as a state scenic highway;
- (d) a hazardous waste site which is included on any list compiled pursuant to Section 65962.5 of the Government Code; and
- (e) a project which may cause a substantial adverse change in the significance of a historical resource; and

NOW, THEREFORE, based upon the above-referenced recitals, the Board hereby finds, determines and orders as follows:

1. The Board finds that terms of the Energy Efficiency Agreement in the form presented at this meeting are in the best interests of the District.
2. In accordance with Government Code section 4217.12, and based on data provided by the Analysis, the Board finds that the anticipated cost to the District for the conservation services provided by the Project will be less than the anticipated marginal cost to the District of electrical energy that would have been consumed by the District in the absence of those purchases.
3. The Board hereby approves the Energy Efficiency Agreement, which shall be subject to such changes, insertions, or omissions as the District’s Superintendent or designee reasonably deems necessary.
4. The District’s Superintendent or designee is hereby authorized and directed to negotiate any further changes, insertions, and omissions to the Energy Efficiency Agreement as are reasonably deemed necessary, and thereafter to execute and deliver the Energy Efficiency Agreement following the Board’s adoption of this Resolution. The District’s Superintendent or designee is further authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits, and other documents and to do or cause to be done any and all other acts and things necessary or proper for carrying out this Resolution and said Agreement.
5. The Project is hereby found to be exempt from the requirements of CEQA pursuant to the Class 1, Class 2, Class 3, Class 11, and Class 14 Exemptions, as described above.

6. District staff are hereby authorized and directed to file and process a Notice of CEQA Exemption for the Project in accordance with CEQA and the State CEQA Guidelines, and the findings set forth in this Resolution.

The foregoing Resolution was adopted at a meeting of the Board of Education on the energy saving improvements on January 15, 2019, by the following vote:
