**STUDENT BOARD REPORT**

Student Board Member Noah Campuzano provided a report of the activities and events occurring at the district's high schools.

**SUPERINTENDENT'S REPORT**

Superintendent Greg Plutko opened his report by thanking Parkview Principal James Hardin and Buena Vista Virtual Academy Principal Carrie Bisgard for their outstanding work at our alternative schools. As we continue our work on our return to school plans, Dr. Plutko invited our district nurse, Michelle DeHaven, to speak on a few areas of that preparation. Ms. DeHaven discussed some of the things we are working on to keep our students and staff safe when we return to school.

On January 1, 2021 a California law goes into effect about when COVID cases rise in schools, how they will be reported out. In that process, we will be proactive and post on our website a list of every school, the number of students and staff on campus, and any active cases within 14 days as soon as we begin in-person instruction. We will work with Orange County Health Department to make sure the list is kept accurate.

Three years ago, we adopted i-Ready, our language arts curriculum. i-Ready identified 15 exemplary schools as having strong i-Ready usage across four adjacent counties. PYLUSD had eight of these distinguished schools: Bryant Ranch, Fairmont, Linda Vista, Golden, Glenknoll, Sierra Vista, Melrose, and Wagner. He is happy to share such a nice accomplishment.

**BOARD REPORT**

Mrs. Judi Carmona reported that many of the events that she usually enjoys attending have been cancelled or held in Zoom format due to the COVID-19. She acknowledged and commended the Nixon Library for donating 6,000 masks to our district for our use.

Mrs. Carrie Buck shared that she has kept busy with several calls and Zoom meetings with the Orange County School Boards Association (OCSBA). She is keeping informed and receiving good information coming down from the state.

Mrs. Carol Downey had nothing to report.

Mrs. Karin Freeman shared that one of PYL’s former board members, Robert Hathaway, passed away unexpectedly. On a positive note, she participated “virtually” in the REACH Foundation’s ShamRock ‘n Run on Sunday. Mrs. Freeman stays in contact with other board members to keep informed and see how other districts are doing with the start of in-person instruction at their schools. It is good to check in and learn what they are doing which is not dissimilar to us.

Mr. Eric Padget spoke again about the mental health and wellbeing of everyone during this pandemic which is concerning. Mr. Padget has received hundreds of emails and tries to respond to as many as possible. Everyone has opinions regarding in-person instruction in our district. We have a history in this district of working closely and collaboratively with our staff and teachers, and we do our best to continue that relationship moving forward. As of today, there are still many schools that are not open for in-person instruction. The district is doing their best to move forward and open our schools safely.

- (2) The District will adequately house these pupils in existing K-6 classrooms in the District with higher district loading standards than those of the State School Facility Program as outlined in the approved district's teacher contract not to exceed 33:1 per classroom;
- (3) The pupils requested from a different grade level will be housed in classrooms at an existing school in the district which will have its grade level changed, to the grade level requested, at the completion of the proposed SFP project.

**THEREFORE, BE IT HEREBY RESOLVED**, that the Board of Trustees is in support of the application requesting new construction grant funding for the Glenview Dual Immersion Project;

Be it further resolved that upon approval and funding of the District's plan and application, the Board acknowledges that the State will satisfy its obligation to house the pupils for which grants are received; and
