BOARD REPORT

Mrs. Carrie Buck opened by thanking the PYLUSD teachers and classified employees, especially for the unusual work they are doing now. Mrs. Buck participated in Zoom meetings with OCSBA and collaborative meetings with some of our state and federal representatives to talk about some of the issues that we are facing including encouraging them to make sure that the funding we receive will stay flexible. Due to the current situation, she will participate remotely at Delegate Assembly this year and will report back to the other Board members to share topics that were discussed.

Mrs. Judi Carmona stated that due to the shelter-in-place order she is not able to be as involved as she would normally be. She thanked the other Board members who serve on committees and statewide organizations for representing the Board and the district so well.

Mrs. Carol Downey agreed and thanked Trustees Buck and Freeman for their participation in Delegate Assembly. She also stated how much she appreciated the leadership team and our teachers for all they have done during this challenging time. Due to remote Board meetings, Mrs. Downey shared that she missed our typical recognition of our district school site volunteers and thanked them for all they do.

Mrs. Karin Freeman commented that the Zoom meetings are a good way of staying connected and accomplishing things. She will participate in the upcoming Delegate Assembly remotely, along with Trustee Buck. Mrs. Freeman visited Melrose and Rio Vista for the grab-and-go lunch distribution and had the chance to talk with some of the people there. She thanked everyone who is out there doing wonderful things and pulling their weight. In conclusion, she wished everyone to stay healthy.

Mr. Eric Padget shared how much he missed working face-to-face with his colleagues and district staff and hearing from the public. He, too, thanked Trustees Buck and Freeman for the extra they put in to bring back the county and state level information. This is a difficult time for everyone from learning to change the way we teach and do our jobs, to dealing with a different way of learning. Mr. Padget expressed his concern for our budget and the lost learning time. In closing, he gave a shout-out to our staff, especially at the high schools where they have made our seniors feel special.
