PUBLIC COMMENT

Linda Cone addressed the Board regarding CTA Policy NBI 6/19-12.

STUDENT BOARD REPORT

Student Board Member Shaylee Matthews provided a report of the activities and events occurring at the district's high schools.

SUPERINTENDENT'S REPORT

Superintendent Greg Plutko announced that the Prize Patrol would be going out in the morning to award the Employee of the Year recognitions to selected teachers, managers, and classified staff for their outstanding efforts. At one of the Board meetings in the spring, we will formally recognize all of those employees.

SUPERINTENDENT'S REPORT (Continued)

The Superintendent shared that this summer we will hold a District Convocation for the first time in ten years. Dr. Plutko was happy to announce that we were able to get a keynote speaker, Ron Suskind, who through his own powerful, personal story will help us stop and think about kids. It will be an exciting day filled with recognitions and collaboration.

In conclusion, Dr. Plutko spoke about support of the continual growth of our district. An example is the leadership seminars we hold for teachers, classified, and assistant principals where, in all cases, these staff members come together to be learners. He acknowledged that APLE does something very similar and the whole thread of these combined efforts speaks to our continual growth as a district and how that will serve us well as we move into the future.

BOARD REPORT

Mrs. Carrie Buck went on a site tour at Lakeview and Woodsboro elementary schools and learned more about their AVID programs. She attended the Orange County Board of Supervisors Meeting to request they consider us when they are developing their Strategic Plan for the Mental Health Services Act funding. The conversation was good, and we will keep talking to them as we move forward. In conclusion, she thanked Mr. Richard McAlindin for presenting at the Placentia Collaborative last month on safety for students.

Mrs. Carol Downey reported that she attended the Excellence in Placentia Gala. She also had the opportunity to judge the Miss Placentia Contest put on by the Placentia Chamber of Commerce. She commented that she was very impressed with the accomplishments of the young women who participated.

Mrs. Karin Freeman also mentioned that Al Jabbar, Board Member for Anaheim Union High School District, has been selected to be one of the members of the CSBA Convention Planning Committee. She encouraged the Board to let her know if they have ideas and she will pass them to Mr. Jabbar. Mrs. Karin Freeman gave the Board a brief update from the Orange County Committee on School District Organization Meeting. Lastly, she commented that the Founder's Day Dinner hosted by the PTA was nicely done.

Mrs. Judi Carmona attended the Founder's Day PTA Dinner as well as the Excellence in Placentia Gala. She mentioned that she and Trustee Carrie Buck were nominated for the Woman Citizen of the Year and, although neither of them won, she was honored to be nominated. Mrs. Carmona has been attending several Local Control and Accountability Program (LCAP) input sessions and has enjoyed hearing all of the ideas that were shared. She also attended a training on Special Education transitions.

Mr. Eric Padget attended an LCAP town hall meeting and enjoyed the good conversation and feedback. He thanked staff for all of the time they have invested in this process. He had the opportunity to attend the Founder's Day Dinner. In addition, he shared that he had the chance to meet with a few community members this month and how nice it was to get feedback from parents with children in our schools. Mr. Padget took a moment to thank everyone for the time, effort, and collaboration that went into this evening's Study Session on the Dual Language Immersion Program at Glenview. He commented on the great progress we have made with mental health, safety in schools, bringing forward the emergency notification app, and just looking at everything in totality that is best for helping all of our students across our district.

RESOLUTION NO. 18

Career and Technical Education Month

WHEREAS, February 1 through February 29, 2020, has been designated Career and Technical Education Month by the Association for Career and Technical Education; and

WHEREAS, profound economic and technological changes in our society are rapidly reflected in the structure and nature of work, thereby placing new and additional responsibilities on our educational system; and

WHEREAS, career and technical education prepares students to be college and career ready by providing core academic skills, employability skills, and technical, job-specific skills and giving all students leadership opportunities in their fields and in their communities; and

WHEREAS, the ever-increasing cooperative efforts of career and technical educators, business, and industry stimulate the growth and vitality of our local economy and that of the entire nation by preparing graduates for career fields forecast to experience the largest and fastest growth in the next decade;

NOW, THEREFORE, BE IT RESOLVED, that the Placentia-Yorba Linda Unified School District Board of Education does hereby support and designate February 1 through February 29, 2020, to be "Career and Technical Education Month."
