STUDENT BOARD REPORT

Student Board Member Shaylee Matthews provided a report of the activities and events occurring at the district’s high schools.

SUPERINTENDENT'S REPORT

Superintendent Greg Plutko opened his report by welcoming new Student Board Member Shaylee Matthews and thanking her for her informative student board report.

Dr. Plutko welcomed everyone back from winter break with a reminder that the LCAP season is upon us. He thanked Deputy Superintendent Candy Plahy for the hard work of her team that goes into the development of the LCAP document. This year, the Superintendent's High School Advisory Council (SHAC) will, in addition to high school students, include representatives from every elementary and middle school site to work together and provide input for our new three-year LCAP design.

Superintendent Plutko invited Executive Director Richard McAlindin to report on our ongoing focus on student and staff safety. Mr. McAlindin shared that staff had the opportunity to participate in a comprehensive school threat assessment and is looking into an emergency notification app that would allow the district to report emergencies to staff.

STAFF PRESENTATIONS

- 2018-19 Annual Financial Report - Each year the District is required to have an annual audit performed by an independent audit firm, and the report must be presented to the Board of Education by January 31 for the preceding fiscal year. Bobby Patel, with the audit firm Eide Bailly, LLP, shared the results of the audit with the Board.
- In preparation for implementation during the 2020-21 school year, Deputy Superintendent Candy Plahy, Director of Elementary Education Dominique Polchow, Full-Day Kindergarten Pilot Teachers Teresa Vitelli and Jamie Grijalva presented information on the full-day kindergarten pilot program that is currently in five of our twenty-three elementary school sites. The presentation highlighted the benefits of our full-day kindergarten program, which is grounded in developmental research to ensure all students receive strong, academic foundational instruction and additional time to participate in enriched activities.
