The President of the Board, the Superintendent of the District (the "Superintendent"), or the Assistant Superintendent, Business Services (the "Assistant Superintendent"), or such other officer or employee of the District as the Superintendent or the Assistant Superintendent may designate (collectively, the "Authorized Representatives"), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver each of the above mentioned documents in substantially said form, with such changes therein as such Authorized Representatives may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof of such Authorized Representatives. modifications thereto as such officer or person or persons may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Certificate Insurance and Surety Policy. The Authorized Representatives are hereby authorized to select a municipal bond insurer to insure payments of principal and interest with respect to the Certificates so long as such Authorized Representative determines that obtaining the municipal bond insurance policy provided thereby will result in a lower interest rate or yield to maturity with respect to the Certificates. The Authorized Representatives are further authorized to select a municipal bond insurer to provide a surety policy with respect to the Reserve Fund (as defined in the Trust Agreement) and to execute and deliver an agreement relating to such surety policy.

Appointment of Professionals. Other Actions.

(a) The Authorized Representatives are each hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable (including the payment of a premium for a municipal bond insurance policy, a debt service surety bond, or other form of credit enhancement) in order to consummate the sale, execution and delivery of the Certificates and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution. Such officers or designees are further authorized and directed to provide to the Orange County Superintendent of Schools and the Orange County Auditor-Controller any and all information required by Education Code Section 17150.1(a). Such actions as described in this Section 9 heretofore taken by such officers or designees are hereby ratified, confirmed and approved.

(b) Based on a good faith estimate from the Municipal Advisor, the District finds that (i) the True Interest Cost of the Certificates (as defined in Government Code Section 5852.1) is expected to be approximately 2.91%, (ii) the total Finance Charge of the Certificates (as defined in Government Code Section 5852.1) is expected to be \$854,914, (iii) the total proceeds expected to be received by the District from the sale of the Certificates, less the Finance Charge of the Certificates, and less any reserves or capitalized interest paid or funded with proceeds of the Certificates, is \$59,053,542, and (iv) the District expects that the Total Payment Amount (as defined in Government Code Section 5852.1), calculated to the final maturity of the Certificates, will be \$68,287,400. (Gov. Code §8350 et seq.)

The contractor further declares under penalty of perjury that they adhere to the Sweat free Code of Conduct as set forth on the California Department of Industrial Relations website located at [www.dir.ca.gov](http://www.dir.ca.gov), and Public Contract Code Section 6108.

(b) The contractor agrees to cooperate fully in providing reasonable access to the contractor's records, documents, agents or employees, or premises if reasonably required by authorized officials of the contracting agency, the Department of Industrial Relations, or the Department of Justice to determine the contractor's compliance with the requirements under paragraph (a).

**CONFLICT OF INTEREST:** Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

**Current State Employees (Pub. Contract Code §10410):**

(a) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.

(b) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

**Former State Employees (Pub. Contract Code §10411):**

(a) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

(b) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

(c) If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

(d) Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

**LABOR CODE/WORKERS' COMPENSATION:** Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

**AMERICANS WITH DISABILITIES ACT:** Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

**CONTRACTOR NAME CHANGE:** An amendment is required to change the Contractor's name as

this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

**CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:** When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

"Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

**RESOLUTION:** A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

**AIR OR WATER POLLUTION VIOLATION:** Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

**PAYEE DATA RECORD FORM STD. 204:** This form must be completed by all contractors that are not another state agency or other governmental entity.

By checking this checkbox, the authorized representative certifies under penalty of perjury that they are duly authorized to legally bind the prospective contractor to the clause(s) listed above. This certification is made under the laws of the State of California.
