MEETING MINUTES

WELCOME

Dr. Linda Adamson, Assistant Superintendent, Educational Services

Dr. Adamson discussed the purpose and process of the LCAP input meetings, and stressed the importance and value of hearing from the District's various stakeholders. The District hosts several input sessions for the District's many stakeholder groups. Areas of greatest progress and needs are reviewed to provide background to members and assistance in providing feedback. The survey will remain open for input for two weeks.

FISCAL UPDATE

David Giordano, Assistant Superintendent, Business Services

Mr. Giordano provided an update on the District's fiscal position for the 2022-2023 school year. The challenges heading into next fiscal year include a declining enrollment and attendance rate, increased operating costs, and insufficient funding for special education. The situation is not unique to PYLUSD; surrounding districts are seeing similar trends.
