

## **TODD FRAZIER**

Todd Frazier was first elected as a member of the Placentia-Yorba Linda Unified School District (PYLUSD) Board of Education in 2022.

Todd received his Bachelor of Science degree in Mathematics Education from Southeast Missouri State University and received a teaching certificate in Missouri. After college, he earned his California Real Estate Brokers License and worked in real estate investment. He left that position to work as an accountant while going back to school in order to sit for the Certified Public Accountant (CPA) exam. Once he earned his CPA license, he opened his own firm in 2016 and has run that business ever since. Todd also established a media company that creates digital content, offers marketing consulting, and builds mobile media applications.

Todd, his wife Tammy, and their family members have lived in the Placentia-Yorba Linda area for over 30 years. His children play sports at Esperanza High School. As a former student of the district, he attended Yorba Linda Middle School and played drums in the marching band and jazz band. He then went to Troy High School in Fullerton and played football and baseball. His wife graduated from El Dorado High School. They pride themselves on having a deep connection to the community and have loved raising their children here.

Todd is active in the youth sports community, coaching his children's teams in the Advantage Flag League (AFL) Football Program and the North County Basketball Program. He is also involved in his church band and enjoys interviewing people and talking about current events on his different podcasts, YouTube channels, and social media accounts.
